MEMORANDUM 2009-4LIC

TO: All Insurance Producers Selling Personal Lines Insurance

FROM: J.P. Schmidt
Insurance Commissioner

RE: **Re-issuance of License Certificates for Personal Lines Insurance Producers**

The Insurance Division is re-issuing license certificates to all resident and nonresident insurance producers who are authorized to sell personal lines insurance.

The Homeowners-Personal Lines ("HO-PL") and Vehicle-Personal Lines ("VE-PL") insurance classes have been combined as Personal Lines ("PL-ALL") to conform with standards of the National Association of Insurance Commissioners ("NAIC").

Enclosed please find your new license certificate that has been re-issued to reflect this change. Please destroy your current license certificate as it is now outdated.

All other aspects of your insurance producer license (such as your license renewal date, renewal fees, and continuing education due date) remain the same.

If you have any questions, please contact the Hawaii Insurance Division, Licensing Branch, at (808) 586-2788 or InsLic@dcca.hawaii.gov.
