HAWAI‘I BOARD ON GEOGRAPHIC NAMES (HBGN)

Wednesday April 11, 2018
10:00 a.m.
Leiopapa A Kamehameha Building
Office of Planning, 6th Floor Conference Room
235 S. Beretania Street
Honolulu, Hawai‘i 96813

A G E N D A

1. Call to Order
2. Review of Meeting Minutes for March 14, 2018
3. Public Comments
4. Announcements
5. Discuss new decision category, “Alternate name”
6. Discuss removing unnecessary descriptors/qualifiers (e.g., “Fishpond”)
7. Review selected place names on the island of Hawai‘i (Ala Kahakai National Historic Trail)
8. Review selected place names on the island of Hawai‘i (Bobby Camara)
9. Review place names on the island of Moloka‘i
10. Adjourn

If you would like more information about this meeting or if you require special assistance or auxiliary aids or services to participate in the meeting (i.e., sign language interpreter, wheelchair accessibility, or parking designated for the disabled), please contact:

Arthur Buto
Email: arthur.j.buto@hawaii.gov
Phone: (808) 587-2894
Fax: (808) 587-2824

no less than ten calendar days prior to the meeting so that arrangements can be made.

MINUTES DRAFT
FOR THE MEETING OF THE
HAWAI'I BOARD ON GEOGRAPHIC NAMES

DATE: March 14, 2018
TIME: 10:00 a.m.
PLACE: Leiopapa A Kamehameha Building
Office of Planning, 6th Floor Conference Room
235 S. Beretania Street
Honolulu, Hawai'i 96813

AGENDA ITEM 1: Call to Order

Ms. McEldowney called the meeting to order at 10:05 am.

The following were in attendance:

MEMBERS: Kaleo Manuel (Department of Hawaiian Home Lands)
Meyer Cummins (Land Survey Division)
Holly McEldowney (Department of Land and Natural Resources)
Noenoe Silva (University of Hawai'i)

ABSENT: Marques Marzan (Bishop Museum)
Brad Ka'aleleo Wong (Office of Hawaiian Affairs)
Leo Asuncion (Office of Planning)

ADVISORS: Arthur Buto (Office of Planning staff)

GUESTS: Nahaku Kalei (National Park Service) joined the meeting by Skype for Business

AGENDA ITEM 2: Review of Meeting Minutes for January 10, 2018:

MOTION: Mr. Cummins moved to approve the minutes; Ms. Silva seconded the motion.

The members present voted unanimously to approve the meeting minutes of February 14, 2018.

AGENDA ITEM 3: Public Comments

Melia Lane-Kamahele from the National Park Service, emailed to ask if there is a requirement that transit station names be consistent with GNIS or be reviewed by HBGN before they are adopted. There is nothing in the state statute that requires review by

HBGN, but Ms. Lane-Kamahele pointed out that because there is significant federal funding it might be prudent to keep the station names consistent with GNIS.

Malie Beach-Smith, geologist with the Commission on Water Resource Management (CWRM), emailed to ask about the name of the stream that empties into Kahana Bay on O‘ahu. The USGS topographical map shows two streams that merge, Kawa Stream and Kahana Stream, but downstream of the confluence, the stream that continues to the bay is unlabeled. There are maps from CWRM and the State Division of Aquatic Resources that both show the stream name at the mouth as Kahana Stream. ***Mr. Buto will check with Jenny Runyon of the USGS to determine if the HBGN should determine the names and extents of the streams.***

AGENDA ITEM 4: Announcements

No announcements.

AGENDA ITEM 5: Discuss adding a new decision category, “Alternate name”

To prepare for the next meeting, Board members should think about defining the term “Alternate Name” more precisely and developing guidelines for its use (e.g., What qualifies as an Alternate? How is it different from a Variant Name?).

The GNIS will still only have one Primary Name with Variants. Federal agencies are required to use only the Primary Name from the GNIS. The Alternate Name, if adopted by the HBGN would have no impact on the federal names database, but would allow state agencies the flexibility to use Primary and Alternate Names equally/interchangeably. Also, the HBGN guidelines should be revised to include the Alternate Name definition and usage.

The Board decided to defer discussion of the Alternate Name term and its definition and usage guidelines for a future meeting when there are more members present.

AGENDA ITEM 6: Discuss removing unnecessary descriptors/qualifiers (e.g., “Fishpond”).

The Board decided to defer discussion of removing unnecessary descriptors/qualifiers. This decision might also result in a revision of the HBGN guidelines.

AGENDA ITEM 7: Review of selected place names on the island of Hawai‘i (Ala Kahakai National Historic Trail).

Ms. Kalei explained that Ala Kahakai National Historic Trail (ALKA) is developing a brochure that shows the 175 miles of trail around the island and they want to highlight some of the important place and feature names. Some of these are region names that are not in GNIS, like Kapalilua and Kekahawai‘ole. The park would like to show these on their brochure, but federal agencies can only list what is in the GNIS. That is, if the

names are not in the GNIS, they cannot be displayed on their map/brochure. Furthermore, they must list the official name; variant names can also be listed, but they must be in parentheses underneath the official name.

Kapalilua is a storied region of South Kona (South Kona through western side of Ka‘u – some say all the way to Ka Lae). It doesn’t correspond to a moku or an ahupua‘a, but it reflects the topography – fault lines, cliffs. On maps, such regions have sometimes been listed after ‘ili, and before moku and island. The documentation that Ala Kahakai provided cites kupuna recollections and written documentation. Ms. Kalei agreed to fill out the Name Request forms for the new names that they are requesting.

AB will send New Name form to Nahaku. ALKA will submit them to HBGN for consideration at the next meeting.

The Board turned its attention to the names on ALKA’s list that are in the GNIS, but that have HBGN Status codes of 1, 3, 4 and 5.

[FID: 364285] “Spencer Park at ‘Ohai‘ula Beach.” This is the official name according to the County of Hawaii sign displayed on the beach. *HBGN will request that the feature name in the GNIS be changed to match the official County of Hawai‘i name.* ***AB will check with Jenny to see if GNIS can be corrected directly.***

[FID: 358716] “Cape Kumukahi.” HBGN agrees with ALKA’s request to remove “Cape” from the feature name. It is listed in PNH as “Kumu-kahi – Easternmost cape, Hawai‘i...” There are no additional features in the area with the Kumukahi name. *HBGN will request that the word “Cape” be removed from the feature name.*

AB will check with Jenny to see if the “4s” can be changed in the GNIS without further action on HBGN’s part.

[FID: 359521] “Ka Lae” is listed in PNH as two words; maps also show it as two words. Previously HBGN acknowledged the spelling in PNH, but decided to use the concatenated version to be consistent with the Ahahui Guidelines. ALKA researched this name, and found a registered map showing it as two words; PNH’s listing is for Moloka‘i. DHHL has had this discussion also. Board will defer a decision on this name in favor of *further research*.

[FID: 360314] “Kamoi Point.” Boundary marker between South Kona and Ka‘u; title line running from there up. Distinct and no other features with which it might be confused; the Feature Class is “Cape.” HBGN will *request that the word “Point” be removed from the name*.

[FID: 1853121 and 1853077] “Kohala Loko” (South Kohala). The protected side (loko), very storied in that region. The waho side (North Kohala) gets all of the weather (windward side); winds, rains. Documentation — newspapers, historical maps, papakilo.

Well-known term for the region. Mr. Cummins will verify on survey maps that Loko and Waho are labeled. *More research needed*.

[FID: 361346] "Kohala Mountains." ALKA is requesting that "Mountains" be removed from the name. In the GNIS, none of the mountain ranges on the other islands have "Mountain" as part of the name. *Board will address again when it considers "Loko" and "Waho."*

[FID: 1853078 and 1853122] "Kona ʻĀkau" ("Hema"). ALKA is requesting these names as variants for North and South Kona Districts, respectively. *Board will recommend these variants be added to GNIS*.

[FID: 1853076 and 1853120] "Hilo ʻĀkau" ("Hema") for North and South Hilo Districts, respectively. *Board will recommend these variants be added to GNIS*.

"Hilo Palikū," "Hilo One" and "Hilo Hanakahi" were mentioned by Board members as other regional names that should be discussed and might be added to the GNIS.

[FID: 365159] "Mookini Heiau." Notes from a previous Board meeting say, "PNH: Not listed," but it is in PNH, *"Moʻo-kini – Heiau. Kohala quad…" The Board recommends correcting the spelling to include the ʻokina and removing the word "Heiau."*

[FID: 364169] "Puʻuloa" and [FID: 364022] "Puʻu Ohau." ALKA feels that the Feature Class associated with these features (Summit), is not correct. However, the Feature Class "Summit" includes cones and puʻu. Puʻu Ohau is a cinder cone; Puʻuloa is not a prominent cone, but refers more the area. *HBGN will request that the spelling correction for "Puʻuloa" previously made by the Board be adopted in the GNIS. HBGN will also request that the spelling for Puʻu Ohau be corrected to Puʻuohau.*

[Noenoe Silva left the meeting at 12:00pm; quorum for the meeting was lost.]

Subject: Names within Hawai'i Volcanoes NP

Aloha Arthur,
This will serve as official notification that we have consulted with our park kupuna on all proposed changes to listed names within the park boundary. The kupuna do not support any changes at this time. That includes adding diacritical marks to place names that do not have any.

Should you have further questions please do not hesitate to contact us. We will not be able to attend the meeting this week.

"The purpose of Hawaii Volcanoes National Park is to protect, study, and provide access to Kilauea and Mauna Loa, two of the world's most active volcanoes, and perpetuate endemic Hawaiian ecosystems and the traditional Hawaiian culture connected to these landscapes."

HAWAIʻI BOARD ON GEOGRAPHIC NAMES
April 11, 2018

Chairperson and Members
Hawaiʻi Board on Geographic Names
State of Hawaiʻi

SUBJECT: Create a decision category "Alternate Name"

SUMMARY: Currently geographic features reviewed by the Board may result in several decision categories: a) no change to the spelling of the place name; b) a spelling correction; or c) a name change. These decisions apply to the Primary Name listed in the USGS Geographic Names Information System database (GNIS).

This submittal proposes to create a new decision category for HBGN, "Alternate Name," which would carry the same weight for state agencies as the official name and spelling, with the understanding that there would be no impact on federal agencies, i.e., they would still be required to use the Primary Name listed in the GNIS. It is left to the Board to develop a more comprehensive definition of Alternate Name, as well as to clarify when and how it should be designated.

BACKGROUND: Pursuant to Chapter 4E, Hawaiʻi Revised Statutes, one of the responsibilities of the Hawaiʻi Board on Geographic Names is to *"designate the official names and spellings of geographic features in Hawaiʻi."*

There are many instances where passionate disagreements exist among community or cultural groups with respect to a place name and/or the spelling of a place name. The Board's current review process limits its decision making to designating a single official name, which is then communicated to the US Board on Geographic Names (US BGN) as the Primary Name with allowance for multiple Variant Names as acceptable alternatives.

However, while this offers some flexibility, it may not be sufficient to resolve conflicts over the place name of a given feature. Exacerbating these conflicts is a requirement that federal agencies use the Primary Name as it appears in the GNIS. Similarly, §4E-3(c), HRS, directs that state agencies *"shall use or cause to be used* [the official names and spellings] *on all maps and documents."*

§4E-3(b), HRS, allows HBGN to designate *"alternate names and spellings."* And once approved by the Board, these alternate names and spellings carry the same weight as the official names and spellings.

RECOMMENDATION: That the Board create a new decision category "Alternate Name," clearly define it, and identify when and how it is to be utilized.

Respectfully Submitted,
/s/
Arthur Buto

HRS_0004E

* §4E-1 State board on geographic names.* There shall be in the office of planning a state board on geographic names, consisting of the following persons or their representatives: the chairperson of the board of land and natural resources, the chairperson of the office of Hawaiian affairs, the chairperson of the Hawaiian homes commission, the director of the office of planning, the president of the University of Hawaii, the state land surveyor, and the director of the Bernice P. Bishop Museum. The members of the board shall serve without compensation.

Section 26-34 shall not apply to this board. [L 1974, c 50, pt of §2; am L 1987, c 336, §7; am L 1988, c 347, §1; am L 1996, c 299, §3]

[§4E-2] Chairperson, secretary. The representative from the department of land and natural resources shall serve as secretary of the board and as custodian of its official records. The board shall select one of its members as chairperson of the board to serve for a term of four years or until the chairperson's successor is selected. [L 1974, c 50, pt of §2; gen ch 1985, 1993]

[§4E-3] Responsibilities of the board. (a) The board shall designate the official names and spellings of geographic features in Hawaii and provide for circulation thereof to the appropriate state and other agencies. In its deliberations, the board shall solicit and consider the advice and recommendations of the appropriate county government officials, and, should the board desire, other knowledgeable persons.

(b) The department of land and natural resources shall publish an annual list of its decisions, together with information regarding location, the origin and meaning of names, and alternate names and spellings for the features named, which list together with the pertinent information shall be sent to the board of geographic names of the United States.

(c) The departments of the State shall use or cause to be used on all maps and documents prepared by or for them the names and spellings approved by the board on geographic names; provided that such names or spellings shall not be contrary to legally established names or spellings. [L 1974, c 50, pt of §2]

Buto, Arthur J

From: Kalei, Heather <nahaku_kalei@nps.gov>
Sent: Monday, April 9, 2018 2:30 PM
To: Buto, Arthur J
Cc: Aric Arakaki
Subject: New Name Requests
Attachments: New Name Applications.zip; ALKA_GNIS_Requests_040918.docx

Aloha Arthur,
Please find the attached folder with individual pdf‘s for each name request. Please note that for some of the features that exist as regions (or areas) I did not include a lat/long or locational marker. Please advise as to how to proceed.
Additional Note: the request for Kekahawai‘ole was shortened to Kekaha based on additional review of sources, with Kekahawai‘ole and Kekahawai‘ole o na Kona as requested variant names.
I will be joining the call on Weds to provide any clarificantion.
Mahalo,
Nahaku

Documentation for GNIS Requests

NPS's Ala Kahakai National Historic Trail

11/28/17

Kapalilua

S.M. Kamakau. 1992. Ruling Chiefs of Hawaii.

p.385 "Honokua in Kapalilua"

p.310 "Keaweaheulu also belonged to their company. His estates were the lands of Kapalilua, Ka'awaloa, and Kealakekua"

p.78 "and at Honomalino in Kapalilua Ke'eaumoku came to offer his support to Kalaniopu'u"

Kaleo Paik 8/10/17

In terms of Kapalilua, it stretches from the cliff of Napoopoo to Ka Lae. It really defines the South Familes as in the old days the term for the South was not Kona Hema but Kau Kona in other words Kona toward Kau. The families of Kapalilua were inter-related through long lines of families.

Momi Kahele. 2006. Clouds of Memories. P. 170

"…they thought the name covered the area from Ho'okena almost to South Point. They told me there was a little story, a code that was used by a chief to the next chief. By using this code, they knew their enemies were at a certain place and how many warriors were coming. We know 'ulu does not grow at the edge of the sea. The number of warriors was counted by forties. For example, if they said four or five counts, that meant 160 to 200 warriors. Kapalilua is between Mauna Kea and Mauna Loa. So Tutu Kipi quoted the code and the meaning.

Aia ka 'ulu
Ke pae nei I ka lihi kai o ka Pali lua
'Ehā paha 'elima ka'au
'Ohi pau loa a māhu

There's the breadfruit
Landing at the water's edge of Two Cliffs
About four or five counts
Pick all of them and steam them.

Actual meaning of the code:
There are the men
Landing at the edge of the shore between Mauna Kea and Mauna Loa
About 160 to 200 men
Attack and kill all of them.
Note: The real name for the areas before South Point up till almost Honalo was Kaplilua. It was like a district between two mountains."

S.M. Kamakau. 1996. Ke Kumu Aupuni

p.183 "Inā e kaulana mai ke 'ahi o Kalae I Ka'ū, holo nō 'o Kamehameha I ka hī 'ahi I Kalae, a lawai'a aumaiewa nō I laila, I Kaulana, Ka'iliki'i, Pohue, Nāpu'uopele, ma Kapalilua"

KF Translation: If the ʻahi of Kalae are resting in Kau, Kamehameha goes to Kalae to troll for ʻahi, and fishes(in the style of) aumaiewa (Large-mouthed net placed at the wings of the papa hului net to receive fish; used in deep water) there, at Kaulana, Kailikii, Pohue, Napuuopele, at Kapalilua.

Keahualono

ʻŌlelo Noʻeau #1839
Kona ʻākau, mai Keahualono a Puʻuohau.
North Kona, from Keahualono to Puʻuohau.

Excerpts from the Hawaiian Nupepa Collection:

KA HAE HAWAII. NOVEMABA 9, 1859. 127

Ke koho ana i ka Poeikohoia, no na apana koho. Pauku 780. Penei ka nui o ka Poeikohoia e na makaainana iloko o ka Ahaolelo.

No ka Mokupuni o Hawaii, ewalu, penei; hookahi na ka Apana o Kona Akau, mai Keahualono a hiki i Puuohau, e hookomo ana ia mau wahi iloko; hookaha no ka Apana o Kona Hema, mai Puuohau a hiki aku a e hookomo ana ia Kaheawai; hookahi no ka Apana o Kau; hookahi no ka Apana o Puna; elua no ka Apana o Hilo: hookahi no ka Apana o Hamakua; hookahi no ka Apana o Kohala.

Maly, K.1999. Ke Ala Loa – Ala Nui Aupuni Kawaihae to ʻAnaehoʻomalu, Kohala.

ascent. This stone altar was built then and is called the *Ahu* made by Lono to this time (Ke-Ahu-a-Lono)… The Altar is at the boundary between Kona and Kohala, near the road (*alanui*) to Kohala, made by Haanio. (Kihe in *Ka Hōkū o Hawaiʻi* Jan. 31-Feb. 14, 1924).

Mai Ke-ahu-a-Lono i ke ʻā o Kani-kū, a hōʻea i ka ʻūlei kolo o Manukā i Kaulanamauna e pili aku i Kaʻū! — From Keahualono [the Kona-Kohala boundary] on the rocky flats of Kanikū, to Kaulanamauna next to the crawling (tangled growth of) *ʻūlei* bushes at Manukā, where Kona clings to Kaʻū! (*Kaʻao Hoʻoniua Puʻuwai no Ka-Miki* in *Ka Hōkū o Hawaiʻi*, September 13, 1917; Maly translator).

Kekaha/Kekahawaiʻole o nā Kona

ʻŌlelo Noʻeau #2478
Ola aku la ka ʻāina kaha, ua pua ka lehua i kai.
L*ife has come to the kaha lands for the lehua blossms are seen at sea.*
"Kaha lands" refers to Kekaha, Kona, Hawaiʻi. When the season for deep-sea fishing arrived, the canoes of the expert fishermen were seen going and coming.

[Place Names of Hawaiʻi]

Ke-kaha

Land area, North Kona, Hawaiʻi. Land section, elementary school, town, ditch, and plantation, Wai-mea district, southwest Kauaʻi. *Lit.,* the place.

Maly, K. 1998. Kaʻūpūlehu Ma Ka ʻĀina Kaha

Kona, like other large districts on Hawai'i, was further divided into *'okana* or *kalana* (regions smaller than the *moku-o-loko*, yet comprising several other units of land). In the region now known as Kona 'akau (North Kona), there were at least two ancient regions (*kalana*) as well. The southern portion of North Kona was known as "*Kona kai 'ōpua*" (interpretively translated as: Kona of the distant horizon clouds above the ocean), and included the area extending from Lanihau (the present-day vicinity of Kailua Town) to Pu'uohau. The northern-most portion of North Kona was called "Kekaha" (descriptive of an arid coastal place). Native residents of the region affectionately referred to their home as "Kekaha-wai-'ole o nā Kona" (Waterless Kekaha of the Kona district), or simply as the "*'āina kaha*." The boundaries of Kekaha (see *Figure 2*), within which we find Ka'ūpūlehu, are described by the following saying:

> *O Hikuhia i ka uka o Nā-pu'u a me Kekahawai'ole, mai Ke-ahu-a-Lono i ke 'ā o Kanikū a hō'ea i ke kula o Kanoenoe i ka pu'u o Pu'u-o-Kaloa.* — [Kekaha extends from] the uplands of Hikuhia, which is in the uplands of Nāpu'u[2] and the waterless Kekaha; and extend from Keahualono on the rocky plain of Kanikū, to the hill of Pu'uokaloa [at Keahuolu]. (*Ka'ao Ho'oniua Pu'uwai no Ka-Miki* in *Ka Hōkū o Hawai'i*, October 18, 1917; Maly translator).

Kohala Loko & Kohala Waho

Maly, K.1999. Ke Ala Loa – Ala Nui Aupuni Kawaihae to 'Anaeho'omalu, Kohala. P.24-25

"At one point during their adventure, Ka-Miki reportedly called out in praise of the lands of Kohala, describing the boundaries and famed *pu'u* (hill) formations of the district in the following saying:

O Kohala nui, o Kohala iki, o Kohala loko, o Kohala waho, o Kohala makani 'Āpa'apa'a, o Pili o Kalāhikiola, o Na-pu'u-haele-lua. 'Oia ho'i! 'Oia la! O nā 'okina iho la 'ia o ka 'āina ha'aheo i ke kāhilia ka makani 'Āpa'apa'a e ho'ola'au mai ana me he ipo ala ka nē hone i ka poli o ke aloha —

Large Kohala, little Kohala, inner Kohala, outer Kohala, Kohala of the *'Āpa'apa'a* wind, of Pili and Kalāhikiola, the two traveling hills. Indeed! They are the combined sub-districts of this proud land brushed by the *'Āpa'apa'a* wind, maturing like a love nestled fondly in the bosom of love (*Ka Hoku o Hawai'i,* March 22,1917).

For generations, sayings like the one above, have been spoken in praise of Kohala and its various land divisions which extend from Honoke'ā on the Hāmākua boundary to Ke-ahu-a-Lono on the Kona boundary."

Desha, Rev. S. L. 2000. Kamehameha and His Warrior Kekūhaupi'o. p.196

The Kīpu'upu'u army was divided into various sections, one of them being those trained in the use of the bow and arrow, led by a very skilled *ali'i* named Waheakalani of Kawaihaeuka. The warriors trained in the use of slingstones were led by Ha'awenui of Kohalaloko who was very skilled in this type of warfare. The division carrying the spears and stone battle-adzes were led by Nu'uanuakalani'ōpu'u as the general of this army.

Excerpt from the Hawaiian Nupepa Collection:

KA MAKAAINANA. Buke 7, Helu 10, Aoao 1. 8 Malaki 1897. 'ao'ao 3

"Ke ku kona moku i ke awa no hoolei oia i kana na opelu he nui loa i kana upena. E ai mea hou ana o Kohala nei i na opelu hou; mai Kohalawaho a me Kohala-leko, e ai ana ia mau opelu hou."

Okiokiaho

KA NONANONA. 15 October 1844 p.79
