The primary purpose of the audit was to form an opinion on the fairness of the presentation of the financial statements for the Stadium Authority as of and for the fiscal year ended June 30, 2014. The audit was conducted by KKDLY LLC.

About the Authority

The Stadium Authority was established in 1970 and is responsible for the operation, management and maintenance of Aloha Stadium, located in Honolulu, Hawai'i. The authority functions under the direction of a nine-member board, appointed by the governor. In addition, the president of the University of Hawai'i and the superintendent of education are nonvoting ex-officio members of the board. For administrative purposes, the authority is placed within the State Department of Accounting and General Services.

Financial Highlights

For the fiscal year ended June 30, 2014, the authority reported total operating revenues of \$7.8 million and total operating expenses of \$13.8 million, resulting in an operating loss of \$6 million. Operating revenues primarily consisted of \$4.6 million from facility rental charges and \$1 million from food and beverage concessionaire commissions. Other operating revenues included \$800,000 in parking fees and \$1.4 million in advertising and other revenues.
