***THE PRIMARY PURPOSE** of the audit was to form an opinion on the fairness of the presentation of the financial statements for the Department of Education (DOE), as of and for the fiscal year ended June 30, 2018, and to comply with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), which established audit requirements for state and local governmental units that receive federal awards. The audit was conducted by KKDLY LLC.*

About the Department

DOE administers the statewide system of public schools and public libraries. DOE is also responsible for administering State laws regarding regulation of private school operations through a program of inspection and licensing and the professional certification of all teachers for every academic and noncollege type of school. Federal grants received to support public school and public library programs are administered by DOE on a statewide basis.

Financial Highlights

FOR THE FISCAL YEAR ended June 30, 2018, DOE reported total revenues of \$3.32 billion and total expenditures of \$3.01 billion, resulting in an increase in net position of \$310 million.

Total revenues of \$3.32 billion consisted of \$2.27 billion in State allotted appropriations, net of lapsed funds, \$697 million in non-imposed employee wages and fringe benefits, \$284 million in operating grants and contributions, \$1 million in capital grants and contributions, and \$67 million in charges for services.

Total expenses of \$3.01 billion consisted of \$2.82 billion for school-related costs, \$74 million for state and school complex area administration, \$52 million for public libraries, and \$68 million for capital outlay.

As of June 30, 2018, total assets exceeded total liabilities by \$2.64 billion. Of this amount, \$850 million is unrestricted and may be used to meet ongoing expenses and obligations. Total assets of \$3.15 billion were comprised of cash of \$1.31 billion, receivables of \$51 million, and net capital assets of \$1.79 billion. Total liabilities of \$514 million were comprised of vouchers and contracts payable of \$150 million, accrued wages and employee benefits of \$148 million, accrued compensated absences of \$69 million, workers' compensation claims reserve of \$136 million, amount due to State general fund of \$5 million, and notes payable of \$6 million.

Auditors' Opinions

DOE RECEIVED AN UNMODIFIED OPINION that the financial statements were presented fairly, in all material respects, in accordance with generally accepted accounting principles. DOE also received an unmodified opinion on its compliance with major federal programs in accordance with the *Uniform Guidance*.

Findings

THERE WERE NO REPORTED DEFICIENCIES in internal controls over financial reporting that were considered to be material weaknesses and required to be reported under Government Auditing Standards. However, the auditors identified one deficiency in internal control over financial reporting that is considered a significant deficiency:

- Complete and timely information was not provided for proper accounting of completed construction projects.

THERE WERE NO FINDINGS that were considered to be material weaknesses in internal control over compliance in accordance with the *Uniform Guidance*. However, the auditors identified two deficiencies in internal control over compliance that are considered significant deficiencies:

- Lack of internal controls and supervisory review over the small purchase procurement process (2).
