***THE PRIMARY PURPOSE** of the special-purpose audit was to form an opinion on the fairness of the presentation of the financial statements for the Hawai'i Convention Center, as of and for the year ended December 31, 2019. The special-purpose financial statements have been prepared pursuant to the provisions of the management agreement between the Hawai'i Tourism Authority and AEG Management HCC, LLC (AEG), a private company contracted to operate the Hawai'i Convention Center. The audit was conducted by Accuity LLP.*

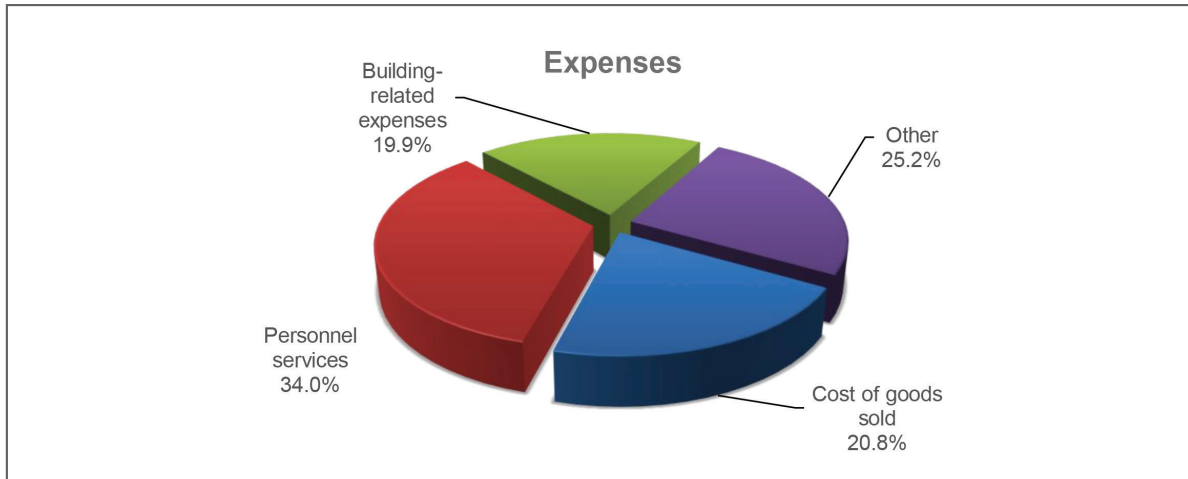

### About the Center

**THE HAWAI'I CONVENTION CENTER** (Center), which opened to the general public in June 1998, is used for a variety of events, including conventions and trade shows, public shows, and spectator events. The Center offers approximately 350,000 square feet of rentable space, including 51 meeting rooms. The Hawai'i Tourism Authority assumed responsibility for the operation, management, and maintenance of the Center in July 2000. The Center is reported as a special revenue fund of the Hawai'i Tourism Authority.

**FOR THE YEAR ENDED** December 31, 2019, the Center reported total revenues of \$16.9 million, total expenses of \$23.5 million, and \$12.8 million in net contributions from the Hawai'i Tourism Authority, which resulted in an increase in net assets of \$6 million.
