### About the Corporation

The Hawai'i Housing Finance and Development Corporation (HHFDC) was established by the State Legislature in 2006. Its mission is to increase the supply of workforce and affordable homes by providing tools and resources to facilitate housing development, such as housing tax credits, low-interest construction loans, equity gap loans, and developable land and expedited land use approvals. The agency is administratively attached to the Hawai'i Department of Business, Economic Development and Tourism.

### Financial Highlights

**HHFDC HAS TWO TYPES** of funds – governmental funds and proprietary funds.
