

American FactFinder provides easy access to accurate, relevant, and timely information that supports learning, enhances decision-making, empowers individuals, and strengthens communities.

Whether you are a student, educator, researcher, business owner, community organizer, government representative, or an individual looking for information, American FactFinder is the data resource tool for you.

Quickly Access Data From:

Decennial Census

Taken every 10 years, the census provides demographic data by housing occupancy, relationship, age, race, sex, and Hispanic origin.

American Community Survey

Annual social, economic, housing, and demographic data allow you to track trends and changes in your community.

Population Estimates

Annual estimated population totals for cities and towns, metropolitan areas, counties, and states.

Economic Census

Taken every 5 years, provides a detailed portrait of the nation's economy including retail trade, health services, construction, characteristics of business owners, and more.

Annual Economic Surveys

Detailed economic data including number of employers, establishments, and sales receipts.

Go to www.census.gov/regions/ for a complete listing of the states or counties covered by each Regional Office.

American FactFinder

factfinder2.census.gov

The U.S. Census Bureau measures America's people, places, and the economy. American FactFinder is the Census Bureau's primary online tool for accessing a wide variety of population, economic, geographic, and housing information about the United States.

Discover:

- Multiple search capabilities
- Enhanced tools
- Three easy steps for accessing data

American FactFinder—Your Online Resource to Census Bureau Data

1. "Quick Start" Search With a Term or Keyword
Find data by typing in what you are looking for.

2. Topic Search
Search for information by topic(s) of interest with this easy-to-use feature.

3. Advanced Search Options
Search by Geographies, Population Groups, or Industry Codes for more specific information.

The screenshot shows the American FactFinder website interface. At the top, it says "U.S. Census Bureau" and "AMERICAN FactFinder". There are navigation tabs for "MAIN", "SEARCH", "WHAT WE PROVIDE", and "USING FACTFINDER". A search bar is prominently displayed with the text "Enter search term(s) and click 'GO'". Below the search bar, there are options to filter by "topics", "population groups", or "industries". To the left, there is a "Your Selections" panel with expandable sections for "Topics", "Geographies", "Population Groups", and "Industry Codes". On the right side, there are several informational widgets: "U.S. Population Clock" showing 310,870,891, "Reference Maps" with a dropdown for "United States", "Address Search" with a street address input field, and "Did you know?" with a navigation arrow. At the bottom, there is a "News and Notes" section with a date of "Feb 08, 2010". A "Thematic Map of Male: Estimate Geography: by State" is shown in the bottom left, with a legend and a map of the United States. A "Census Newsroom" link is visible at the bottom right.

4. Easily Access Reference Maps
View maps and geographic boundaries or select geographic areas to add to your search.

5. Address Search
Find data for the communities where you live and work.

6. Enhanced Table and Mapping Tools
Create tables and maps to display data in a variety of ways.

3 Steps to Accessing Data on

American FactFinder

1 Make Your Selections

QUICK START

Search for data by entering keywords or phrases in the topic or table name search box. Enter an optional geography in the geography text box to search for data in a specific area.

SEARCH OPTIONS

OR

PREDEFINED SEARCH

"Your Selections" tracks the search criteria you have applied to your search results. Your search results will be updated each time you add or remove an item to "Your Selections."

You can also search for data by selecting Topics, Geographies, Population Groups, or Industry Codes.

2 View/Refine Your Search Results

SEARCH RESULTS

Once you have made "Your Selections," you can view or refine them from the Search Results page. To refine your results, simply continue making selections from the predefined Topics, Geographies, Population Groups, or Industry Codes. You can also use the "Search within Results for..." text search box to enter keywords or phrases to refine your search results.

3 Access Your Data Products

VIEW OR DOWNLOAD

To view one or more products, simply click on the corresponding check box for that data product(s) and click the "View" button. American FactFinder displays the table. From the table view, you can modify, bookmark, download the table, or create a thematic map.

To download a product, simply click on the corresponding check box for that data product(s) and click the "Download" button.

TABLE VIEW

| | Number | | Percent | |
|------------------|-----------|-----------------|-----------|-----------------|
| | Estimate | Margin of Error | Estimate | Margin of Error |
| SEX AND AGE | | | | |
| Total population | 4,661,900 | | 4,661,900 | (X) |
| Male | 2,258,924 | +/-3,839 | 48.5 | +/-0.1 |
| Female | 2,402,976 | +/-3,639 | 51.5 | +/-0.1 |
| Under 5 years | 307,183 | +/-2,804 | 6.6 | +/-0.1 |
| 5 to 9 years | 307,347 | +/-2,763 | 6.6 | +/-0.2 |
