

American Community Survey Table Numbers

The **first character** of a table identifier is a letter indicating the type of table or map:

- **B** is used for Base (Detailed) Tables that provide the most detailed estimates.
- **C** is used for a collapsed version of a Base (Detailed) Table. A C table is very similar to a B table with the same number (e.g., C07001 and B07001), but two or more lines from the B table have been collapsed to a single line in the C table. Not every B table has a collapsed version.
- **GCT** is used for Geographic Comparison Tables
- **R**s are used for Ranking Tables
- **S** is used for Subject Tables
- **M** is used for Thematic Maps

The **next two characters** identify the primary subject of the table.

- 01 = Age and Sex
- 02 = Race
- 03 = Hispanic or Latino Origin
- 04 = Ancestry
- 05 = Foreign Born; Citizenship; Year of Entry; Nativity
- 06 = Place of Birth
- 07 = Residence 1 Year Ago; Migration
- 08 = Journey to Work; Workers' Characteristics; Commuting
- 09 = Children; Household Relationship
- 10 = Grandparents; Grandchildren
- 11 = Household Type; Family Type; Subfamilies
- 12 = Marital Status
- 13 = Fertility
- 14 = School Enrollment
- 15 = Educational Attainment
- 16 = Language Spoken at Home and Ability to Speak English
- 17 = Poverty
- 18 = Disability
- 19 = Income (Households and families)
- 20 = Earnings (Individuals)
- 21 = Veteran Status
- 22 = Food Stamps
- 23 = Employment Status; Work Experience
- 24 = Industry; Occupation; Class of Worker
- 25 = Housing Characteristics
- 26 = Group Quarters Population
- 99 = Imputation table for any subject

The **next three digits** (Base/Collapsed/Detailed Tables) or **two digits** (Geographic Comparison Tables, Ranking Tables, Subject Tables, and Thematic Maps) are a sequential number, such as 001 or 01, to uniquely identify the table within a given subject.

For select tables, an **alphabetic suffix** follows to indicate that a table is repeated for the nine major race and Hispanic or Latino groups:

- A = White Alone
- B = Black or African American Alone
- C = American Indian and Alaska Native Alone
- D = Asian Alone
- E = Native Hawaiian and Other Pacific Islander Alone
- F = Some Other Race Alone
- G = Two or More Races
- H = White Alone, Not Hispanic or Latino
- I = Hispanic or Latino

For select tables, a **final alphabetic suffix "PR"** follows to indicate a table used for **Puerto Rico** geographies only. These Puerto Rico-specific tables exist because for some geography-based subjects, the wording of the Puerto Rico Community Survey questionnaire differs slightly but significantly from the American Community Survey questionnaire. The matching table used for United States geographies has the same ID but without the trailing "PR" (e.g., B06014 and B06014-PR).
