

American FactFinder provides easy access to accurate, relevant, and timely information that supports learning, enhances decision-making, empowers individuals, and strengthens communities.

Whether you are a student, educator, researcher, business owner, community organizer, government representative, or an individual looking for information, American FactFinder is the data resource tool for you.

Quickly Access Data From:

Decennial Census

Taken every 10 years, the census provides demographic data by housing occupancy, relationship, age, race, sex, and Hispanic origin.

American Community Survey

Annual social, economic, housing, and demographic data allow you to track trends and changes in your community.

Population Estimates

Annual estimated population totals for cities and towns, metropolitan areas, counties, and states.

Economic Census

Taken every 5 years, provides a detailed portrait of the nation's economy including retail trade, health services, construction, characteristics of business owners, and more.

Annual Economic Surveys

Detailed economic data including number of employers, establishments, and sales receipts.

Find answers to frequently asked questions 24 hours a day, 7 days a week by clicking on the **FAQs** link at the top of any American FactFinder page.

Call the Census Bureau's Customer Services Center at 1-800-923-8282.

Call or visit the **Partnership and Data Services** staff in one of 12 Census Bureau Regional Offices for local data and assistance, workshops, and presentations:

Atlanta	1-800-424-6974
Boston	1-800-562-5721
Charlotte	1-800-331-7360
Chicago	1-800-865-6384
Dallas	1-800-835-9752
Denver	1-800-852-6159
Detroit	1-800-432-1495
Kansas City	1-800-728-4748
Los Angeles	1-800-992-3530
New York	1-800-991-2520
Philadelphia	1-800-262-4236
Seattle	1-800-233-3308

Go to www.census.gov/regions/ for a complete listing of the states or counties covered by each Regional Office.

American FactFinder

factfinder2.census.gov

The U.S. Census Bureau measures America's people, places, and the economy. American FactFinder is the Census Bureau's primary online tool for accessing a wide variety of population, economic, geographic, and housing information about the United States.

Discover

- Multiple search capabilities
- Enhanced tools
- Three easy steps for accessing data

3 Steps to Accessing Data on American FactFinder

1 Make Your Selections

QUICK START

Quick Start

Enter search term(s) and click 'GO'

topic or table name: for geography (optional):

Topics Population groups Industries

Or use the options on the left to begin your search

Search for data by entering keywords or phrases in the topic or table name search box. Enter an optional geography in the geography text box to search for data in a specific area.

SEARCH OPTIONS

Topics ?

Geographies (states, counties, places, ...)

Population Groups (race, ancestry, ...)

Industry Codes (NAICS, ...)

OR

You can also search for data by selecting Topics, Geographies, Population Groups, or Industry Codes.

PREDEFINED SEARCH

Your Selections

Search: "population" ✕

"Your Selections" tracks the search criteria you have applied to your search results. Your search results will be updated each time you add or remove an item to "Your Selections."

2 View/Refine Your Search Results

SEARCH RESULTS

Once you have made "Your Selections," you can view or refine them from the Search Results page. To refine your results, simply continue making selections from the predefined Topics, Geographies, Population Groups, or Industry Codes. You can also use the "Search within Results for..." text search box to enter keywords or phrases to refine your search results.

Search - Use the options on the left (search, topics, geographies, ...) to find the data you're looking for

Your Selections

Search: "population" ✕

American FactFinder—Your Online Resource to Census Bureau Data

1. "Quick Start" Search With a Term or Keyword
Find data by typing in what you are looking for.

2. Topic Search
Search for information by topic(s) of interest with this easy-to-use feature.

3. Advanced Search Options
Search by Geographies, Population Groups, or Industry Codes for more specific information.

The screenshot shows the American FactFinder website interface. At the top is the U.S. Census Bureau logo and the 'AMERICAN FactFinder' title. Below the title is a search bar with a magnifying glass icon and a 'GO' button. To the right of the search bar are links for 'Feedback', 'FAQs', 'Glossary', and 'Help'. Below the search bar is a navigation menu with 'HOME', 'SEARCH', 'WHAT WE PROVIDE', and 'USING FACTFINDER'. On the right side of the navigation menu are language options for 'English' and 'Español'. The main content area is divided into several sections. On the left is a 'Your Selections' box, currently empty. Below it is a 'Topics' section with a list of categories: People, Housing, Business and Industry, Year, Product Type, Document Type, Data Type, Compare Geography, Program, Survey, and Dataset. Below the topics are three expandable sections: 'Geographies (states, counties, places...)', 'Population Groups (race, ancestry...)', and 'Industry Codes (NAICS...)'. In the center is a 'Quick Start' section with a search form: 'Enter search term(s) and click "GO"'. The form has two input fields: 'topic or table name' and 'geography (optional)', followed by a 'GO' button. Below the form are radio buttons for 'topics', 'population groups', and 'industries'. Below the search form is a section titled 'Data Available on Legacy American FactFinder' with three paragraphs of text. Below that is a 'News and Notes' section with a date 'Feb 08, 2010' and a snippet of text. On the right side of the main content area are three boxes: 'U.S. Population Clock' showing '14:06 UTC (EST+5) Dec 08, 2010' and '310,870,891'; 'Reference Maps' with a dropdown menu set to 'United States' and a 'GO' button; and 'Address Search' with a magnifying glass icon and the text 'Find Census data by entering a street address.'. Below these boxes is a 'Did you know?' section with a left and right arrow and the text '1,233 is the number of locations producing chocolate and cocoa products in 2007'. At the bottom of the page is a footer with links for 'Policy', 'Census 2010', 'Data Tools', 'Information Quality', 'Product Catalog', 'Contact Us', and 'Home'. A callout box at the bottom left shows a 'Thematic Map of Male: Estimate Geography: by State' with a legend and a map of the United States. A callout box at the bottom right shows a news snippet about a civic history event.

4. Easily Access Reference Maps
View maps and geographic boundaries or select geographic areas to add to your search.

5. Address Search
Find data for the communities where you live and work.

6. Enhanced Table and Mapping Tools
Create tables and maps to display data in a variety of ways.
