See Geographic Terms and Definitions at <http://www.census.gov/popest/about/geo/terms.html> for a list of the states that are included in each region and division. All geographic boundaries for the 2014 population estimates series except statistical area delineations are as of January 1, 2014. The Office of Management and Budget's statistical area delineations for metropolitan, micropolitan, and combined statistical areas, as well as metropolitan divisions, are those issued by that agency in February 2013 <http://www.whitehouse.gov/sites/default/files/omb/bulletins/2013/b13-01.pdf>.
