Note: Areas are included in this table if their estimated housing units exceed the stated threshold in 2015 or 2016. The estimates are based on the 2010 Census and reflect changes to the April 1, 2010 housing units due to the Count Question Resolution program and geographic program revisions. All geographic boundaries for the 2016 housing unit estimates series are as of January 1, 2016. For the housing unit estimates methodology statement, see <http://www.census.gov/programs-surveys/popest/technical-documentation/methodology.html>.
