[1] Some values are zero due to rounding.

Note: The estimates are based on the 2010 Census and reflect changes to the April 1, 2010 population due to the Count Question Resolution program and geographic program revisions. All geographic boundaries for the 2017 population estimates series are as of January 1, 2017. Additional information on these localities can be found in the Geographic Boundary Change Notes (see <http://www>).

census.gov/geo/reference/boundary-changes.html). For population estimates methodology statements, see <http://www.census.gov/programs-surveys/popest/technical-documentation/methodology.html>.
