^{1/} The resident population is defined as the number of persons whose usual place of residence is in an area, regardless of physical location on the estimate or census date. It includes military personnel stationed or homeported in the area and residents temporarily absent, but excludes visitors present.

^{2/} The de facto population is defined as the number of persons physically present in an area, regardless of military status or usual place of residence. It includes visitors present but excludes residents temporarily absent, both calculated as an average daily census.

^{3/} Maui County includes Kalawao County.

^{4/} Includes the Northwestern Hawaiian Islands, from Nihoa to Kure Atoll, except Midway.
