1/ The 2008 estimate is preliminary in that the source does not show procurement by county. The 2 procurement web sites below are no longer the home for the collection, correction, and reporting of DoD procurement information. The data on those sites are static data and reflect how the data were originally collected through FY2006. All the data contained on those sites were migrated to the Federal Procurement Data System Next Generation (FPDS-NG) which is now the official web site <<https://www.fpds.gov>> for all federal procurement data and reports. USASpending.gov at <http://www.usaspending.gov> also contains current DoD procurement data. Future *Data Book* updates and revision of 2007 and 2008 are expected to be based on those data/sites. See Table 10.18 for revised 2007 procurement by branch of service estimates.

2/ Civil functions not available in the FPDS-NG system.

3/ Includes 'Other defense agencies' and Defense Logistics Agency.
