[Fiscal year ending June 30 unless otherwise specified. Excludes nonprofit corporations]

1/ Annual fluctuations may partly reflect the sporadic purging of defunct firms from the registration files.

2/ Revised from previous Data Book.

3/ Number on record may be inconsistent with data on components of change or conversion from another type of entity, reflecting inaccuracy in manual tabulation. A discrepancy does occur when a domestic corporation converts to a limited liability company because the statistic is reflected for the domestic corporation and included in the dissolved or merged statistic, but it is not reflected in the limited liability company's formed statistic. Domestic entities that are reinstated after being involuntarily dissolved, cancelled or terminated are also not reflected in the formed statistics.
