

**Table 14.15-- CENTRAL BUSINESS DISTRICT PARKING RATES FOR HONOLULU AND THE UNITED STATES AVERAGE: 2011**

[Survey only includes covered and underground garages in prime central business districts (CBD) in 61 markets in North America, with 49 of them in the U.S. Parking rate data were collected during the month of June 2011 and includes all relevant taxes. Sources include third parties, owners/operators and Colliers International. For reserved parking, the customer is guaranteed the same space for every entry. For unreserved parking, the customer is guaranteed a space upon entry. For daily parking, the customer is permitted to park for a full day and is not impacted by "early bird" restrictions]

| <b>Category 1/</b>                             | <b>Segment</b>        | <b>Honolulu</b> | <b>United States average</b> | <b>Honolulu as percent of United States average</b> |
|--|-----------------------|-----------------|------------------------------|---|
| Monthly unreserved                             | Parking rate – high   | 253.40          | 222.51                       | 113.9   |
| Monthly unreserved                             | Parking rate – low    | 172.77          | 102.69                       | 168.2   |
| Monthly unreserved                             | Parking rate – median | 217.28          | 155.22                       | 140.0   |
| Monthly reserved                               | Parking rate – high   | 425.00          | 264.10                       | 160.9   |
| Monthly reserved                               | Parking rate – low    | 260.00          | 134.76                       | 192.9   |
| Monthly reserved                               | Parking rate – median | 345.28          | 187.08                       | 184.6   |
| Daily parking                                  | Rate – high           | 75.00           | 24.25                        | 309.3   |
| Daily parking                                  | Rate – low            | 21.00           | 9.12                         | 230.3   |
| Daily parking                                  | Rate – median         | 38.00           | 16.12                        | 235.7   |
| Hourly parking                                 | Rate – high           | 10.00           | 8.99                         | 111.2   |
| Hourly parking                                 | Rate – low            | 2.25            | 2.63                         | 85.6  |
| Hourly parking                                 | Rate – median         | 6.00            | 5.32                         | 112.8   |
| Garages offering additional services (percent) |                       | 5               | 19.9                         | 25.1  |
| Garages with waiting lists (percent)           |                       | 10              | 12.7                         | 78.7  |
| Typical wait period (number of months)         |                       | -               | 5.5                          | (X)   |
| Availability of parking                        |                       | 2/ Limited      | (X)                          | (X)   |
| Additional garages within next 24 months       |                       | -               | (X)                          | (X)   |
| Parking spots to be added                      |                       | -               | (X)                          | (X)   |

X Not applicable.

1/ 'Early Bird' refers to discounted parking offered to those that park before the work day begins. Both 'Early Bird' and 'Hourly metered parking' were tabulated separately in previous reports but not in 2009 to 2011.

2/ Refers to parking garages usually full Monday to Friday and on weekends during special events.
