**Table 11.18-- HOMELESS PERSONS, BY SURVEY CATEGORY:
2006 AND 2007 ESTIMATES -- Con.**

1/ Sheltered homeless: persons or groups of persons who lack a fixed, regular and adequate nighttime residence and stay at a supervised public or private shelter designed to provide temporary alleviation of homelessness through the provision of living accommodations (emergency, transitional or other) or that is an institution that provides temporary residence for individuals intended to be institutionalized.

2/ Unsheltered homeless: persons or groups of persons having a primary nighttime residence that is a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for persons (including beaches, parks, automobiles, caves, benches, and abandoned or vacant buildings).

3/ Hidden homeless: a person or group of persons who:

- a) share accommodations with other groups in the same household,
- b) are 'doubled up' (two or more families or groups of persons related by birth, marriage or adoption),
- c) are 'sharing' (two or more families or groups of persons not related by birth, marriage or adoption),
- d) are persons who depend upon public assistance for their shelter payments each month.

4/ Precariously housed or at risk: person or persons who could become homeless in less than three months, if they lost their primary source of income.
