3	Manu Kai, LLC	60.99
4	Matson Navigation Company, Inc.	55.73
5	Allied Pacific Builders, Inc.	45.85

1/ Federal agencies are required to submit reports on their awards' transactions within 30 days after the implementation of the transaction. The exception is the Department of Defense which submits reports after 90 days to protect operations.

2/ As of October 1, 2010 (FY11), first-tier sub-recipient contract transaction data are required to be reported by the prime recipients for contract transactions of more than \$25,000.

3/ Query of USASpending for category for FY2008 and FY2009 returns "No Data Found".
