

**Layer Name:** Department of Health Building Locations

**File Name:** DOH\_bldgs

**Layer Type:** Point

**Status:** Complete

**Geographic Extent:** Islands of Hawaii, Kauai, Lanai, Maui, Molokai, and Oahu

**Projection:** UTM Zone 4 (meters)

**Datum:** NAD 83

**Description:** This data shows the location of Department of Health facilities throughout the state of Hawaii.

**History:** Addresses were obtained from the Hawaii Department of Accounting and General Services' Administrative Services Office (ASO). The Environmental Planning Office verified all addresses and then geocoded them using the ArcGIS Online World Geocoding Service in December 2014. Shapefile was then projected into UTM Zone 4.
