Description: Foreign Trade Zone 9 as of **December 2023**. Boundaries were created by OPSD by extracting TMK parcels from tables obtained from the FTZ Office, 2011. Last updated, December, 2023. For more information, please visit <http://ftz9.org/>. FTZ Zones were created from TMK parcels, entirely and proportionally. Some TMK parcels may no longer exist due to changes to the TMK parcel boundaries over time.
