Description: Parcel/TMK maps for Neighbor Islands

Source: Counties of Kauai, Maui and Hawaii

Latest Updates:  
Hawaii, Kauai and Maui Counties – April, 2018

State GIS Program projected all county tmk layers to UTM Zone 4, NAD 83 HARN

GIS\_Acres fields recalculated to reflect conversion to UTM NAD 83 HARN projection/datum.

Additional fields added if not present: TMK\_txt, cty\_tm, GIS\_Acres, Qpub\_link

Note1: Records for Maui County TMK 211002002, 212004005 and 212004007 were corrected to OWNER = "State of Hawaii," MAJOROWNER = "Govt. State", and BIGSTOWNER = "Govt. State," May, 2017.

Note2: There is a shift in Maui County parcels on some areas on the islands of Maui, Molokai and Lanai; some examples are shown in the graphics below. According to Maui County GIS staff, the County is in the process of better aligning their parcel layer with their Pictometry imagery layer, which is resulting in shifts in some areas. This is an ongoing project, with an unknown completion date.

Note 3: 2013 Update of the Kauai TMK Parcel Layer - Spatial Shift using NavTeq Roads, NOAA Charts and Imagery to anchor shift with 1100 displacement points and Affine Shift. After original shift it was done as a spatial rubbersheet natural Neighbor shift.

Note 4: Kauai parcels: The assessment values in the attribute tables are "for assessment purposes only" per Kauai Real Property Department.

Neighbor Island Parcel Notes:

- Major Owner:** This value is filled in for the largest composite land owners on any given island - for example, it may be owners of more than 50 acres on one island, or owners of over 500 acres on another island. For Federal, State and Local government land owners, the value denotes which agency owns the parcel - for example, State of Hawaii, DLNR vs. State of Hawaii, DOH. *Available for Counties of Hawaii and Maui only.*
- BigstOwner:** This value is filled in for those landowners that are "well-known" in Hawaii - for example, AMFAC, Alexander & Baldwin, C. Brewer, etc. In addition, State ownership is broken down only for State and State DHHL - for example, DOE, DLNR, etc. are all grouped together as "State." *Available for Counties of Hawaii and Maui only.*
- Owner Field:** At the request of the Counties, the "Owner" field has been removed for posting of this layer to the website in light of privacy and security concerns. Small or individual land owner information can be cross-referenced to other publicly available databases (see links, below), or by contacting the respective county.
