Layer Name: Hawaii Police Stations

File Name: policestations_state

Layer Type: Point

Status: Complete

Geog. Extent: Main Hawaiian Islands

Projection: Universal Trans Mercator, Zone 4 (Meters)

Datum: NAD 83 HARN

Description: Locations of police stations within the State of Hawaii.

Source: Hawaii, Honolulu, Maui and Kauai Counties.

History: Received from and/or verified by counties, August 2017.

Per County GIS Personnel, layers are current as of August 2017.
Kauai, Maui, Hawaii Counties – received from county GIS staff
Oahu – downloaded from CCH Open Data Portal

OP GIS staff merged county layers into one statewide layer, keeping only the name field from each county layer, and adding an island field. Complete attributes for each county police department layer can be found in the individual county police station layers.
