

**Layer Name:** State Land Use District Boundaries

File Name: SLUD

Layer Type: Polygon

Status: Complete

Geog. Extent: Main Hawaiian Islands

Projection/Datum: Universal Trans Mercator, Zone 4 (Meters), NAD 83 HARN

Description: State Land Use District Boundaries for the 8 main Hawaiian Islands.  
**Version Date: December 2020 (see notation re edit made in May 2023).**

Source: State Land Use Commission 1:24,000 mylar maps. State Land Use District Boundaries were compiled by the State Land Use Commission using the State of Hawaii's Geographic Information System (GIS).

This map/data was produced by the LUC for informational purposes only, and should not be used for boundary interpretation. The authoritative boundary lines between State Land Use District Boundaries are found on the official USGS quadrangle maps currently filed at the LUC and may be further defined by officially-recognized LUC boundary Interpretations supported by metes and bounds descriptions.

Note: The Hawaii Statewide GIS Program updated dockets approved by the State Land Use Commission after 2016, specifically, A15-798, A16-800, A16-801 and A17-802. Additionally, the Statewide GIS Program included downzones for the following dockets: A05-755 - Waiehu, Maui: downzoned back to Ag district; A06-767 – Waikoloa, Hawaii: downzoned back to Ag district, and A06-770 – N. Kona, Hawaii: downzoned back to Ag district. *The Statewide GIS Program DID NOT process any county State Land Use District Boundary Amendments OF LESS THAN 15 ACRES that took place after 2016.*

Note: **May 2023** - the Statewide GIS Program was contacted by Maui County to request that a 2012 DBA from Ag to Rural (09/DBA-003) near Haiku be reflected in the layer. The GIS Program made the requested change and republished the layer.

History: Initially digitized in Arc/Info versions 4, 5, and 6 using ArcEdit by the Office of Planning (OP) from State Land Use Commission's (LUC) 1:24,000 mylar maps. Now maintained by State LUC. **Updated, December 2020.**

Attributes: Polygons:

<b>LUDCODE</b>	Land Use District Boundary Code
A	Agricultural Land Use District
C	Conservation Land Use District
R	Rural Land Use District
U	Urban Land Use District

ISLAND	Island
Acres	Acres, as calculated by the GIS software
