

SMA ArcGIS Explorer Online Map Instructions

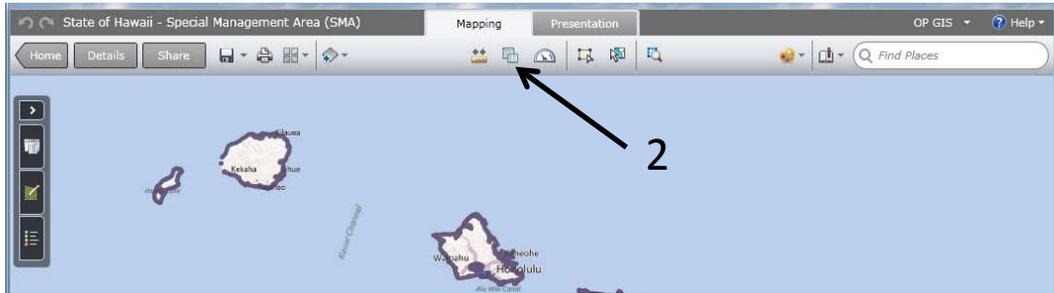

To query by address:

1. Type in Address (in the Find Places input box shown above labeled “1”) with Street Number, Street Name, Street Type, City, State, Zip Code and hit Enter.
2. The map will automatically zoom in to the address and insert a pin for the location found.
3. The SMA is the purple areas on the map.

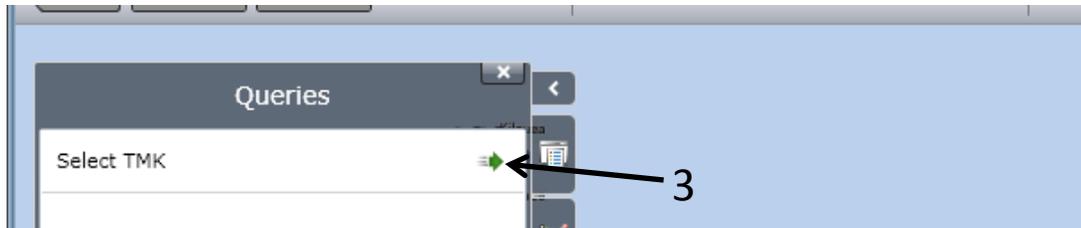

To query by Tax Map Key (TMK) number:

1. click on the Query button shown below labeled “2”.

2. Click on the Execute button shown below labeled “3”.

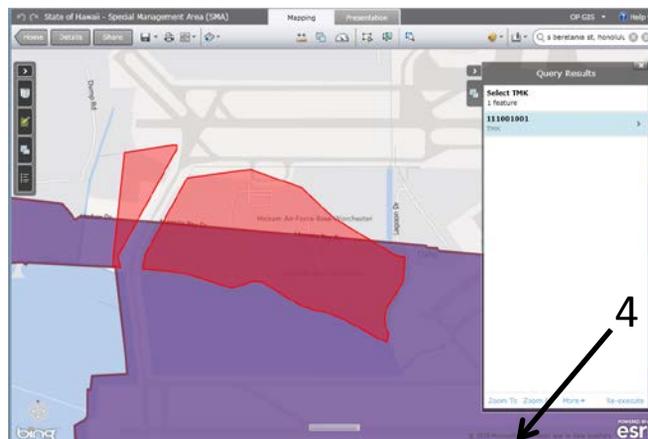

3. Type in 9 digit TMK number (IZSPPPppp format):

- I = Island Number (1 digit)
- Z = Zone Number (1 digit)
- S = Section Number (1 digit)
- PPP = Plat Number (3 digits)
- ppp = Parcel Number (3 digits)
- For example: TMK=153008001
 - Island Number = 1
 - Zone Number = 5
 - Section Number 3
 - Plat Number = 008
 - Parcel Number = 001

4. Click on “Zoom To” shown below labeled “4” to zoom the map to the selected TMK area. The area in red is the selected TMK parcel. The purple area is the Special Management Area.

5. To get the TMK number of a parcel within the SMA, left click on the map twice and a popup window will show the TMK number with the boundary highlighted in red.

Note:

- You will need to be zoomed in until the TMK boundary appears on the map in order to see the TMK popup.
- If the selected parcel displays distorted boundaries, please query the parcel again to refresh the drawing in order to see the correct configuration of the parcel.
