INFORMATION FOR APPLICANTS FOR REGISTRATION OF TRADEMARKS

FORM T-2

REGISTRATION OF A TRADEMARK WITH THE DEPARTMENT DOES NOT GRANT YOU OWNERSHIP OF THE TRADEMARK.

Trademark means any word, name, symbol or device, or combination thereof, adopted and used by a person to identify goods or manufactured articles.

Section 482-22, Hawaii Revised Statutes, provides that an applicant for registration of trademark must file an application with the Director of Commerce and Consumer Affairs, verifying that the applicant is the owner of the trademark. Ownership of a trademark is acquired by adoption and use of the trademark. Before filing an application, an applicant should check the computerized list of registered names to determine if there is a registration that is substantially identical to the trademark he wishes to register. A check should also be made in the telephone directory of each island, the city directory and with the Department of Taxation. When an application is filed, the Business Registration Division will make a search of the registrations on record to determine that there is no other registration that is the same or substantially identical to the trademark applied for.

Section 482-25, HRS, provides that the registration will be for a term of five years from the date of filing. Registrations may be renewed for additional periods of five years from the date of renewal by filing an application and \$50.00 fee within six months prior to the expiration date.

Section 482-28.5, HRS, provides that if, after registration with the Director of Commerce and Consumer Affairs, the trademark is abandoned or not used by the registrant for any period of 365 consecutive days, the trademark shall be subject to revocation. Any person desiring such revocation is required to file a verified petition with the Director requesting revocation of the trademark and setting forth facts indicating abandonment or nonuse by the registrant for a period of 365 consecutive days immediately preceding the date of filing of the petition. After granting an opportunity for hearing to the petitioner and registrant, the Director shall grant or deny the petition as the facts shall warrant.

Section 482-28.5, HRS, provides that any person claiming to be the owner of a trademark for which a certificate of registration has been issued to any other person, may file a verified petition with the Department for the revocation of such registration setting forth facts in support of the claim for ownership. After granting an opportunity for hearing to the petitioner and registrant, the Director shall grant or deny the petition as the facts shall warrant.

Instructions: Application must be typewritten or printed in **black ink**, and must be **legible**. Signature must be in **black ink**. Submit application together with the appropriate fee.

Application must be signed by the applicant if an individual. For **corporations**, application must be signed by an authorized officer of the corporation.
