Re: In re Application of Hawaiian Telcom Services Company, Inc.
For a Cable Franchise – 14th Request for Extension

Dear Mr. Oshima:

By letter faxed on November 16, 2007, Applicant Hawaiian Telcom Services Corporation, Inc. ("**Applicant**") submitted a fourteenth request to the Department of Commerce and Consumer Affairs ("**Department**") to further extend the one hundred-twenty (120) day time limit for final action by the Department on its Application for a Cable Franchise from November 30, 2007 to December 31, 2007.

Applicant's Application for a Cable Franchise was accepted for filing by the Department on June 21, 2006, and the one hundred-twenty (120) day period provided by Hawaii Administrative Rule (HAR) §16-133-16 to process the Application commenced. By letter dated September 21, 2006, Applicant requested that the one hundred-twenty (120) day time period be extended four (4) weeks to November 17, 2006. The Department granted Applicant's first request to extend time to November 17, 2006.

In its second request, Applicant sought approval for a further extension of one week, to November 24, 2006, which was granted by the Department. Pursuant to Applicant's third extension request, on November 13, 2006 the Department granted a further extension to December 8, 2006. On November 24, 2006, Applicant submitted a fourth extension request to the Department to extend the time limit to December 22, 2006, which was approved. On December 8, 2006, Applicant submitted a fifth extension request to the Department to extend the time limit to January 31, 2007, and

the Department approved this request. Subsequently, in a letter dated January 8, 2007 Applicant requested a sixth extension of time until March 30, 2007 for final action, which was approved by the Department. By letter dated March 30, 2007, Applicant submitted a seventh request to extend time to May 31, 2007, and this extension was granted by the Department. By letter dated May 15, 2007, Applicant submitted an eight request to extend time to June 30, 2007, which was granted by the Department. By letter dated June 15, 2007, Applicant submitted a ninth request to extend time to July 31, 2007, and this extension was granted by the Department. On July 16, 2007, HTSC submitted its tenth request to extend the time limit for final action on its Application from July 31, 2007 to August 31, 2007. By letter dated July 17, 2007, the Department granted HTSC's request. By letter dated August 16, 2007 (faxed on August 24, 2007), HTSC submitted its eleventh request to extend time to September 28, 2007, which was granted by the Department on August 27, 2007. On September 17, 2007, in its twelfth extension request, Applicant sought approval for a further extension of time for final action to October 31, 2007. On September 20, 2007, the Department granted Applicant's request for an extension, and the time limit for final action on Applicant's Application was extended to October 31, 2007. Applicant subsequently faxed its thirteenth extension request to the Department on October 17, 2007, and the Department granted Applicant's request to extend time for final action to November 30, 2007.

The Department and the Applicant have met and continue to meet to discuss issues relating to the franchise application. The Department continues to be available and ready to discuss the franchise provisions at the Applicant's convenience.

By this fourteenth extension request, Applicant now seeks approval for a further extension of time for final action to December 31, 2007. Accordingly, pursuant to Section 440G-7(4), Hawaii Revised Statutes ("**HRS**"), the Department hereby grants Applicant's fourteenth request for an extension, and the time limit for final action on Applicant's Application is therefore further extended to **December 31, 2007**.

Sincerely,
