**Re: Time Warner Cable Internal Restructuring**

Dear Ms. Lopez:

I am writing to advise you of an internal restructuring by Time Warner Cable Inc. ("TWC") involving the cable franchisee providing cable service in various areas in the State of Hawaii. As you may know, we operate our cable systems through various indirect, wholly-owned subsidiaries, including Time Warner Entertainment Company, L.P., the franchise-holder for our Hawaii cable systems. In order to streamline our organization, we are undertaking an internal reorganization (the "Transaction") whereby our cable operations will be conducted through seven regional entities designed to simplify management reporting and create a more geographically rational structure. Upon completion of the Transaction, our Hawaii systems and their franchises will be held by Oceanic Time Warner Cable LLC, an indirect, wholly-owned subsidiary of TWC.

The Transaction will not result in a transfer of control – TWC will retain ultimate ownership and management authority over our Hawaii systems. This internal Transaction will have absolutely no impact on our Hawaii systems, their operations or our local staff or management, and we will continue to do business as Oceanic Time Warner Cable. In particular, there will be no change in our commitment to provide our customers with the best variety and quality in entertainment and information services, all at competitive rates with excellent customer care.

Given the internal nature of the Transaction, and particularly since it will not result in any change in the operation or ultimate ownership of any cable system or franchise, you may find it unnecessary to take any action. To the extent you believe it is necessary, we have enclosed an original and two (2) copies of the Federal Communications Commission's ("FCC") Form 394, and a CD containing a copy of the Transaction Agreement as well as pertinent financial information regarding Time Warner Cable. If you choose to grant consent, we would very much appreciate your review and consideration of these materials and the issuance of a decision and order at your earliest possible convenience, with a copy of the decision and order sent to the following address:

Should you have any questions regarding the Transaction or the FCC Form 394, please contact me at [bob.barlow@twcable.com](mailto:bob.barlow@twcable.com) or 808-625-8311.

We look forward to continuing our long and mutually beneficial relationship.

Sincerely,

## EXHIBIT 1

Time Warner Cable Inc. (“**TWCI**”) operates its cable systems through various indirect subsidiaries, including Time Warner Entertainment Company, L.P. (“**TWE**”), Time Warner Entertainment-Advance/Newhouse Partnership (“**TWEAN**”), Time Warner NY Cable LLC (“**TWNYC**”), Time Warner Cable LLC (“**TWC LLC**”), Time Warner Cable of Southeastern Wisconsin, L.P., Time Warner Cable San Antonio, L.P. and Century Venture Corporation.<sup>2</sup> In order to simplify its organization, TWCI is undertaking an internal reorganization (the “**Transaction**”) whereby its cable operations will be conducted through seven regional entities designed to facilitate management reporting and create a more geographically rational structure.

The Transaction will be accomplished through a series of concurrent interim steps, including the contribution of certain assets and operations by TWCI and TWNYC to Time Warner Cable Enterprises LLC (“**TWCE**”), a new entity that is wholly owned by TWCI; the merger of TWE, TWC LLC, Time Warner Cable San Antonio, L.P. and Time Warner Cable of Southeastern Wisconsin, L.P. into TWCE; the merger of Century Venture Corp. into Time Warner Cable Midwest LLC; and the transfer or contribution of certain operations and assets by TWCE and TWEAN to the appropriate regional operating entities covering the areas where those operations and assets are located:

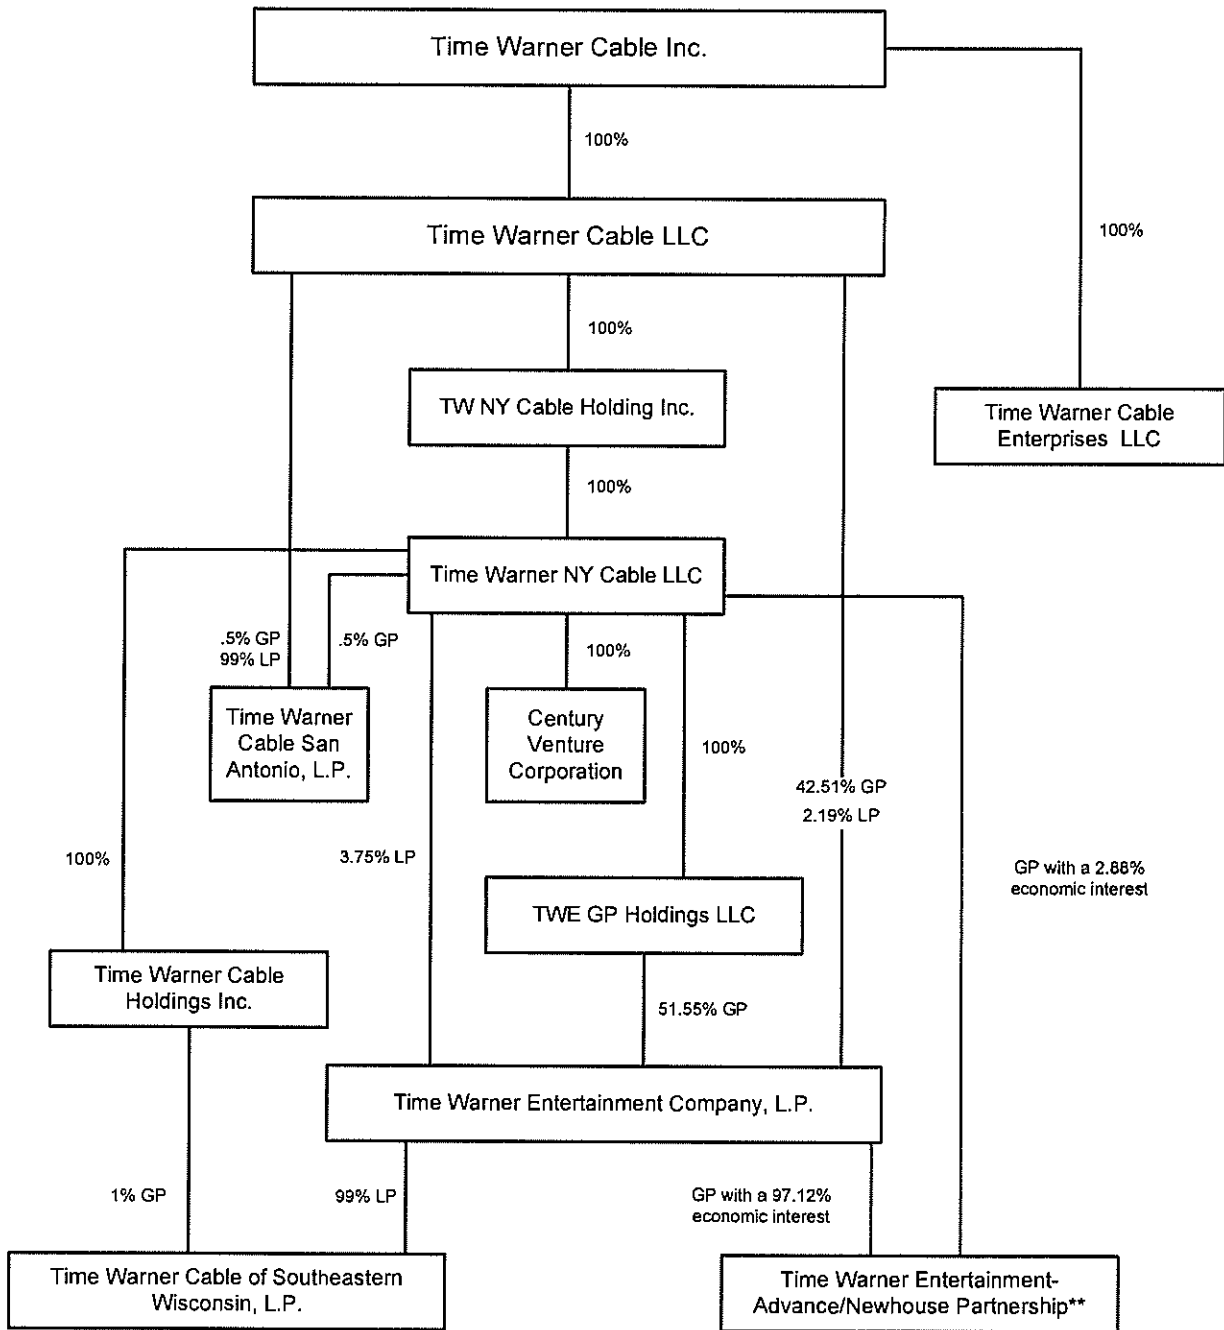

- 1) Time Warner Cable Pacific West LLC
- 2) Time Warner Cable Southeast LLC
- 3) Time Warner Cable Midwest LLC
- 4) Time Warner Cable New York City LLC
- 5) Time Warner Cable Northeast LLC
- 6) Time Warner Cable Texas LLC
- 7) Oceanic Time Warner Cable LLC

Charts depicting the pre-Transaction and post-Transaction ownership structure of TWCI and its affected subsidiaries are attached.

---

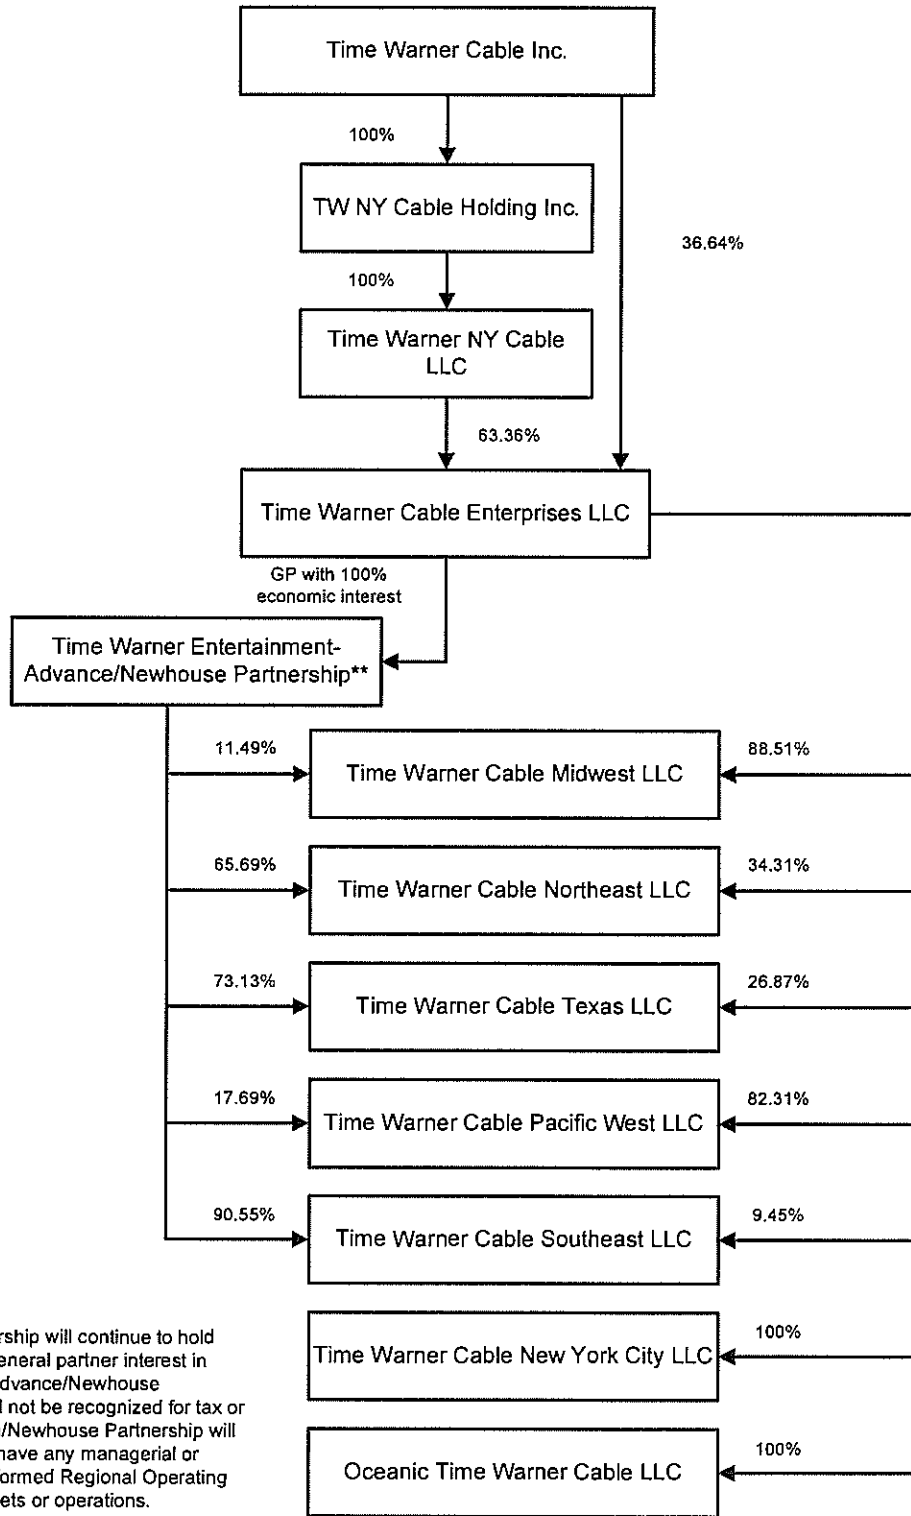

<sup>2</sup> All of these indirect subsidiaries are wholly-owned by TWCI, with the exception of TWEAN, 66.67% of the general partnership interests of which are held indirectly by TWCI. TWCI holds 100% of the economic interest in, and full operational control of, the TWEAN cable systems that do business as “Time Warner Cable.”

**CURRENT STRUCTURE**

\*\* Advance/Newhouse Partnership is the holder of legal title to a 33.33 percent general partner interest in Time Warner Entertainment-Advance/Newhouse Partnership ("TWEAN"). Such interest is not recognized for tax or economic purposes. Advance/Newhouse Partnership has no economic interest, or managerial or operational role, in the assets that TWEAN will distribute to Time Warner Entertainment Company, L.P. or that TWEAN will contribute to the various newly formed Regional Operating Entities.

**POST-TRANSACTION STRUCTURE**

\*\* Advance/Newhouse Partnership will continue to hold legal title to a 33.33 percent general partner interest in Time Warner Entertainment-Advance/Newhouse Partnership, which interest will not be recognized for tax or economic purposes. Advance/Newhouse Partnership will hold no economic interest, or have any managerial or operational role, in the newly formed Regional Operating Entities or their respective assets or operations.

## **EXHIBIT 2**

The Transaction will not result in changes to the current terms and conditions of service and operations of the system. The Assignee agrees to comply with the terms and conditions of the franchise and applicable law.

### **EXHIBIT 3**

The Assignee is duly qualified to transact business in the state or states where it operates, or will become so qualified prior to closing of the Transaction.

## EXHIBIT 4

There have been no instances where an application for consent to an assignment or transfer of a franchise involving the Assignee or any affiliate has been denied by final decision (and not superseded by subsequent action by the community) with the exception of the following:

In 2005, in connection with FCC Form 394 filings relating to the transaction among Time Warner Inc., Comcast Corporation (“**Comcast**”) and Adelphia Communications Corporation (“**Adelphia**”) in which Time Warner Cable Inc. and Comcast separately acquired Adelphia’s cable systems and exchanged certain cable systems, the following communities elected to exercise a right of first refusal under their franchise to purchase the cable system in their community:

- a. Cornelius, North Carolina
- b. Davidson, North Carolina
- c. Mecklenburg County, North Carolina
- d. Mooresville, North Carolina

## EXHIBIT 7

Time Warner Cable Inc. (“TWC”) is one of the largest and most experienced operators of cable television systems in the United States. As of March 31, 2011, TWC served approximately 12.2 million basic video subscribers in 28 states. TWC has invested billions of dollars in recent years to rebuild and upgrade its cable systems and related equipment. As a result, virtually all of TWC’s systems are two-way and provide video and broadband Internet access, as well as voice services.

TWC has significant experience operating large, technologically advanced cable systems. Most of TWC’s systems have been upgraded to at least 750 MHz. TWC provides advanced video services over almost all of its systems, including digital cable, video-on-demand (“VOD”), high-definition television (“HDTV”) and digital video recorders. TWC also offers broadband Internet access and Voice over Internet Protocol (“VoIP”) services in nearly all of its systems.

Through an advanced infrastructure of coaxial and fiber-optic cables, TWC typically makes available more than 250 channels of programming, including local broadcast television signals, locally produced or originated video programming, advertiser-supported cable programming networks (such as ESPN and CNN), premium programming services (such as HBO, Cinemax, and Showtime), HDTV service and VOD programming offering digital customers the opportunity to choose from hundreds of video titles.

In addition, TWC has established an enviable track record in developing technology to expand entertainment information and communications options available on its cable systems. The significant achievements of the highly regarded staff of Time Warner Cable in areas of technical quality and innovation have been widely recognized and have been the basis for numerous awards.

TWC is not only committed to giving its customers an array of entertainment and information choices, but also high quality customer service. TWC representatives helped to develop the National Cable and Telecommunications Association customer service standards, and we strive to meet and exceed those standards.

A more detailed discussion of the experience of TWC can be found in its Form 10-K for the year ended December 31, 2011, which is included on the CD accompanying this filing.
