Dear Mr. Barlow:

Re: Franchise Required Channel for State Government

As you may be aware, Decision and Order No. 346 ("D&O") requires Time Warner Entertainment Company, L.P. ("TWE") to make available to the Legislature (Senate and House of Representatives) and the Executive (Governor's Office and Lieutenant Governor), collectively, one statewide digital channel for governmental programming originating from the State Capitol ("Channel"). At this time, the Legislature and the Governor Office on behalf of the Executive have submitted a request to the Department that TWE provide a direct connection to its headend from the State Capitol for this Channel. The Legislature and the Governor's Office also wish to enter into direct discussions with TWE on the logistics of setting up the Channel.

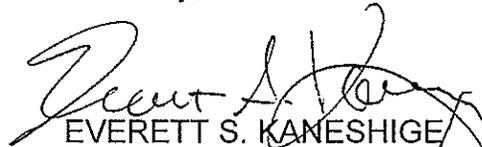

Accordingly, pursuant to the D&O, we are asking TWE to make available one statewide digital Franchise Required Channel for governmental programming originating from the State Capitol within thirty days from the date of this letter. TWE shall be solely responsible for all costs for the connection to the State Capitol. The cost of any facilities and equipment to implement this digital Channel at the terminal in the State Capitol and for the operation of the Channel is the responsibility of the Legislature and the Governor and Lieutenant Governor's offices.

TWE shall notify the Department when the provision of this Channel to the State government has been accomplished. Except as otherwise provided in this letter, the remaining provisions in D&O No. 346 shall continue to remain in full force and effect.
