Kahului, Maui, Hawaii 96732

Dear Mr. April:

This is in response to an email from Ms. Linda Puppolo dated August 4, 2006 that was sent to the Department on your behalf requesting an extension to submit (1) the annual report and (2) the response to the DCCA's July 12, 2006 letter.

We appreciate that Akaku has been working diligently to provide this material, and understand the difficult circumstances that you now face. As a result, with regard to the annual report, the Department grants Akaku's request for an extension to September 15, 2006.

With regard to the Department's July 12, 2006 letter, the information requested is needed in order to prepare the RFP for PEG services for which a deadline of June 30, 2007 has been set for us by the State Procurement Office. As a result, the Department is on a very aggressive schedule, and accordingly cannot accommodate an extension to September 15, 2006. Please provide Akaku's response by Monday August 28, 2006. Also, if you have any information available prior to that date, the Department would appreciate receiving it sooner.

Very truly yours,

MARK E. RECKTENWALD
Director of Commerce and Consumer Affairs
