

Development and Expansion of Telework Initiatives  
Report

Prepared by the

CABLE TELEVISION DIVISION  
DEPARTMENT OF COMMERCE AND CONSUMER  
AFFAIRS  
STATE OF HAWAII

December 2010

### **Development and Expansion of Telework Initiatives for 2010**

Per Act 199, the Broadband Advisory Council is tasked with developing policy and funding priorities to promote and encourage the use of telework alternatives for public and private employees, and expedite deployment of affordable and accessible broadband services in Hawaii.

The Legislature has not appointed any members to this Broadband Advisory Council which will provide input to this very worthwhile initiative. As such, there is no report at this time.
