Re: East & West Hawaii Franchise Renewal – Completion of Ascertainment Proceeding

Dear Mr. Kang:

This is to inform you that the ascertainment proceeding for Time Warner Entertainment Company, L.P. ("TWE"), dba Oceanic Time Warner Cable, for the renewal of its East & West Hawaii Franchises is completed as of the date of this letter. Pursuant to Hawaii Administrative Rules ("HAR") §16-133-28, TWE is required to submit a written application for renewal within 28 calendar days from this date (no later than July 21, 2011). As stated in the Department's August 13, 2009 letter to you, the Department will accept a single set of the written application and exhibits which incorporate both franchise renewals for the island of Hawai'i. However, a separate filing fee of \$1,000.00 for each franchise renewal must accompany TWE's written application for renewal.

With the completion of the ascertainment proceeding and upon submission of TWE's renewal application, certain procedures set forth in HAR §16-133-26 through §16-133-32 are required. Specifically, HAR §16-133-31 requires that within four months of the date of this notice (by October 23, 2011), the Director shall approve or deny TWE's application.

We look forward to receiving TWE's written application for renewal and working with TWE throughout the renewal process.

Very truly yours,

Glen Chock
Acting Cable Television Administrator
