ORDER

I.

By letter filed on May 23, 2002, CONNIE LEE DEGUAIR, dba CROSSROADS WATER HAULING (Petitioner), requests that certificate of public convenience and necessity no. 5139-C (Certificate No. 5139-C) be placed on inactive status. Certificate No. 5139-C authorizes Petitioner to transport property by motor vehicle in the specific commodities (water hauling) classification over irregular routes on the island of Hawaii, limited to serving the area from Hilo to Volcano, including Kalapana.

Under Hawaii Revised Statutes (HRS) § 271-19, the commission may place a certificate on inactive status upon written request by a motor carrier, and for good cause shown. The inactive period, however, may not exceed 12 months. In addition, HRS § 271-19 provides that inactive status may only be granted for a cumulative period not to exceed two years over the life of the certificate.

The commission finds that there is good cause to grant Petitioner's request. If Petitioner so desires she may file, prior to the expiration of the inactive period granted by this order, a request to extend her inactive status for up to one additional year.

II.

THE COMMISSION ORDERS:

1. Petitioner's Certificate No. 5139-C is placed on inactive status for one year, effective from the date of this order.

2. If Certificate No. 5139-C is not reactivated prior to the expiration of the period of inactivity, i.e., within one year from the date of this order, it shall be declared abandoned and revoked. Petitioner may reactivate the certificate at any time prior to the expiration of the inactive period by filing a request to reactivate with the commission, and fulfilling the requirements for motor carriers including, but not limited to, filing of appropriate insurance documents and publication of a lawful tariff.

3. Petitioner shall not transfer her inactive certificate unless Petitioner can first establish good cause to the commission for the transfer, and the commission has approved the request to transfer.

DONE at Honolulu, Hawaii this 14th day of June, 2002.
