ORDER

I.

By letter filed on June 27, 2002, HAWAIIAN OUTDOOR ADVENTURE TOURS, INC., dba HAWAIIAN OUTDOOR ADVENTURES (Petitioner), requests that certificate of public convenience and necessity no. 1532-C (Certificate No. 1532-C) be placed on inactive status. Certificate No. 1532-C authorizes Petitioner to transport passengers by motor vehicle over irregular routes on the islands of Oahu and Kauai in the 8-to-25 passenger classification, limited to utilizing motor vehicles with a maximum manufacturer's seating capacity of 15 passengers, and further limited to providing such transportation services in conjunction with its outdoor activity tours.

Under Hawaii Revised Statutes (HRS) § 271-19, the commission may place a certificate on inactive status upon written request by a motor carrier, and for good cause shown. The inactive period, however, may not exceed 12 months. In addition, HRS § 271-19 provides that inactive status may only be granted for a

cumulative period not to exceed two years over the life of the certificate.

The commission finds that there is good cause to grant Petitioner's request. If Petitioner so desires it may file, prior to the expiration of the inactive period granted by this order, a request to extend its inactive status for up to one additional year.

## II.

### THE COMMISSION ORDERS:

1. Petitioner's Certificate No. 1532-C is placed on inactive status for one year, effective from the date of this order.

2. If Certificate No. 1532-C is not reactivated prior to the expiration of the period of inactivity, i.e., within one year from the date of this order, it shall be declared abandoned and revoked. Petitioner may reactivate the certificate at any time prior to the expiration of the inactive period by filing a request to reactivate with the commission, and fulfilling the requirements for motor carriers including, but not limited to, filing of appropriate insurance documents and publication of a lawful tariff.

3. Petitioner shall not transfer its inactive certificate unless Petitioner can first establish good cause to the commission for the transfer, and the commission has approved the request to transfer.

DONE at Honolulu, Hawaii this 14th day of August, 2002.
