order must be filed within ten days after a decision or order is served upon a party. Movant filed his motion for reconsideration on September 3, 2002, 29 days after Order No. 19506 was filed. Accordingly, we find that Movant has not met the filing requirements for a motion for reconsideration, as set forth in HAR § 6-61-137. We, thus, conclude that Movant's motion for reconsideration is untimely and should be denied.²
