ORDER

By transmittal filed on May 28, 2002, NETWORK OPERATOR SERVICES, INC. (Network) notified the commission of its proposed changes to its tariff. By Order No. 19438, filed on June 28, 2002, the commission suspended the subject transmittal, pending the commission's review of the proposed changes to the tariff, pursuant to Hawaii Revised Statutes § 269-16 and Hawaii Administrative Rules § 6-80-40. On July 8, 2002, the commission issued information requests (IRs) to Network to assist in the completion of the commission's review of the proposed tariff changes.

By a notice of dismissal dated December 5, 2002, the commission informed Network of its intent to dismiss the transmittal without prejudice because of Network's failure to respond to the commission's IRs, as directed. Network was further advised that any objection to the dismissal of the transmittal must be submitted in writing, and received by the commission not later than 10 days from the date of the notice, and that if an objection

was not filed, the commission would issue an order dismissing the transmittal.

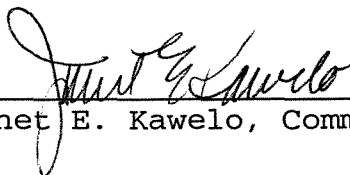

To date, Network filed neither an objection to the dismissal, nor a response to the commission's IRs. The commission, thus, finds that there is good cause to dismiss the transmittal in this docket.

THE COMMISSION ORDERS that the transmittal filed on May 28, 2002 by Network is dismissed without prejudice, and that this docket is closed.

DONE at Honolulu, Hawaii this 18th day of December, 2002.
