ORDER

I.

By letter filed on December 11, 2002, AIRPORT GROUP INTERNATIONAL, INC. (Petitioner) requests that Permit No. 708-P be placed on inactive status. Permit No. 708-P authorizes Petitioner to transport passengers by motor vehicle on the island of Oahu in the 8-to-25 and over-25 passenger classifications, limited to providing a shuttle service between the employee south ramp parking facilities and the Honolulu International Airport terminal areas, under contract with the Department of Transportation, State of Hawaii.

Under Hawaii Revised Statutes (HRS) § 271-19, the commission may place a permit on inactive status upon written request by a motor carrier, and for good cause shown. The inactive period, however, may not exceed 12 months. In addition, HRS § 271-19 provides that inactive status may only be granted for a cumulative period not to exceed two years over the life of the permit.

The commission finds that there is good cause to grant Petitioner's request. If Petitioner so desires it may file, prior

to the expiration of the inactive period granted by this order, a request to extend its inactive status for up to one additional year.

II.

THE COMMISSION ORDERS:

1. Petitioner's Permit No. 708-P is placed on inactive status for one year, effective from the date of this order.

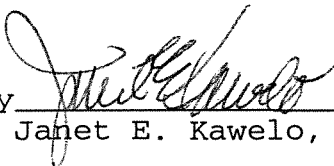

2. If Permit No. 708-P is not reactivated prior to the expiration of the period of inactivity, i.e., within one year from the date of this order, it shall be declared abandoned and revoked. Petitioner may reactivate the permit at any time prior to the expiration of the inactive period by filing a request to reactivate with the commission, and fulfilling the requirements for motor carriers including, but not limited to, filing of appropriate insurance documents.

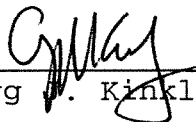

3. Petitioner shall not transfer its inactive permit unless Petitioner can first establish good cause to the commission for the transfer, and the commission has approved the request to transfer.

DONE at Honolulu, Hawaii this 21st day of January ,
