ORDER

I.

By letter filed with the commission on December 31, 2002, GLENN K. LINDSEY (Petitioner) requests that the inactive status of his certificate of public convenience and necessity no. 5082-C (Certificate No. 5082-C) be extended for an additional 236 days. By Order No. 19112, filed on December 20, 2001, in this docket, Certificate No. 5082-C was placed on inactive status until December 20, 2002.

The commission notes that under Hawaii Revised Statutes (HRS) § 271-19, the commission may grant inactive status for a cumulative period not to exceed two years over the life of the certificate. Petitioner has 236 days remaining of this cumulative two-year period. Accordingly, we find that there is good cause to extend Petitioner's inactive status for this additional 236-day period.

II.

THE COMMISSION ORDERS:

1. Petitioner's Certificate No. 5082-C is placed on inactive status for an additional 236 days, until August 13, 2003.
2. If Certificate No. 5082-C is not reactivated prior to the expiration of the period of inactivity, it shall be declared abandoned and revoked. Petitioner may reactivate the certificate at any time prior to the expiration of the inactive period by filing a request to reactivate with the commission, and fulfilling the requirements for motor carriers including, but not limited to, filing of appropriate insurance documents and publication of a lawful tariff.
3. Petitioner shall not transfer his inactive certificate unless Petitioner can first establish good cause to the commission for the transfer, and the commission has approved the request to transfer.
