II.

Applicant is a New Jersey corporation which was organized on September 5, 2001. Applicant is a reseller of telecommunications services and has been in the telecommunication business since inception.

Nationally, Applicant has authorization from the Federal Communications Commission (FCC) to offer domestic interstate and international services in all 50 states and the District of Columbia as a non-dominant carrier. Applicant is authorized to do business in the State of Hawaii.

Applicant requests authority to operate as a reseller of intrastate telecommunications services within the State of Hawaii. Specifically, Applicant proposes to offer 1+ and 101XXXX outbound dialing, inbound "800" / "888" toll-free, travel card, and prepaid calling card services. Initially, Applicant will offer only prepaid calling card service.

III.

Upon review of the Application, the commission makes the following findings pursuant to HAR § 6-80-18:

1. Applicant is fit, willing, and able to properly perform the telecommunications services proposed and to conform

to the terms, conditions, and rules prescribed or adopted by the commission; and

2. Applicant's proposed telecommunication services are in the public interest.

Accordingly, the commission concludes that Applicant should be granted a COA to operate as a reseller of telecommunications services within the State of Hawaii.

We further conclude that Applicant's proposed tariff is consistent with chapter 6-80, HAR.

IV.

THE COMMISSION ORDERS:

1. Applicant is granted a COA to operate as a reseller of telecommunication services within the State of Hawaii.

2. As a holder of a COA, Applicant shall be subject to all applicable provisions of HRS chapter 269, HAR chapters, 6-80 and 6-81, and any other applicable State law and commission rules, and any orders that the commission may issue from time to time.

3. Applicant shall file its tariffs in accordance with HAR §§ 6-80-39 and 60-80-40. Applicant's tariffs shall comply with the provisions of HAR chapter 6-80. In the event of

a conflict between any tariff provision and State law, State law shall prevail.

4. An original and eight copies of the initial tariff shall be filed with the commission and two additional copies shall be served on the Consumer Advocate. Applicant shall ensure that the appropriate effective date is reflected in its tariffs.

5. Within 30 days from the date of this decision and order, Applicant shall pay a public utility fee of \$60, pursuant to HRS § 269-30. The business check shall be made payable to the Hawaii Public Utilities Commission, and sent to the commission's office at 465 S. King Street #103, Honolulu, Hawaii 96813.

6. In accordance with HAR § 6-80-39, Applicant will not offer, initiate, or provide any telecommunications services within the State, at wholesale or retail, until it complies with the requirements set forth in paragraphs 3 to 5, above.
