_____)

ORDER

By an application filed on May 8, 2003, RICK'S HEAVY EQUIPMENT, INC. ("Applicant") requests a certificate of public convenience and necessity to operate as a common carrier of property by motor vehicle over irregular routes on the island of Oahu in the general commodities and dump truck classifications.

By a notice of dismissal dated August 4, 2003, we informed Applicant of our intent to dismiss the application without prejudice because of Applicant's failure to respond to the commission's request for information. Applicant was further advised that any objection to the dismissal of its application must be submitted in writing and filed not later than 10 days from the date of the notice, and that if an objection was not filed, the commission would issue an order dismissing the application.

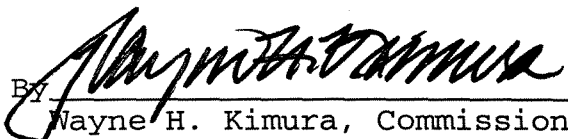

Applicant did not object to the dismissal of its application within the 10-day period. We, thus, find that there is good cause to dismiss the application in this docket.

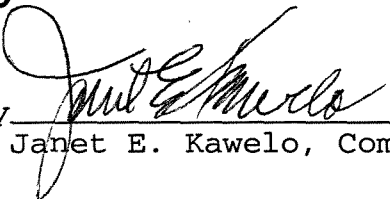

THE COMMISSION ORDERS that the application filed by Applicant on May 8, 2003, is dismissed without prejudice and this docket is closed.

DONE at Honolulu, Hawaii this 22nd day of August, 2003.
