

formulate the issues, procedures, and schedule with respect to this proceeding, to be set forth in a stipulated procedural order. The stipulated procedural order shall be submitted for commission approval within 20 days from the date of this order. If unable to stipulate to such an order, each party shall submit its own proposed procedural order for the commission's consideration within 20 days from the date of this order.

The commission recognizes that KIUC, in its August 15, 2003 application, agreed to extend the 90-day Review Period, until November 30, 2003. However, because there is nothing in the record indicating the Consumer Advocate's position on KIUC's agreement to extend the 90-day Review Period, the parties may attempt to agree on this issue through its stipulated procedural order. Otherwise, the commission will render a decision on that issue subsequent to either the filing of the stipulated procedural order or proposed procedural order.

## II.

THE COMMISSION ORDERS that KIUC and the Consumer Advocate shall meet informally to formulate the issues, procedures, and schedule with respect to this proceeding, to be set forth in a stipulated procedural order. This procedural order shall be submitted for commission approval within 20 days of the date of this order. If unable to stipulate to such an order, each party shall submit its own proposed procedural order for the commission's consideration within 20 days of the date of this order.
