STIPULATED PROCEDURAL ORDER

On or about March 11, 2004, Hawaii Electric Light Company, Inc. ("HECO") and the Division of Consumer Advocacy of the Department of Commerce and Consumer Affairs ("Consumer Advocate"), (collectively, the "Parties"), submitted a Stipulated Procedural Order to the Commission for this docket. On March 16, 2004 the Commission issued Stipulated Procedural Order No. 20849 ("SPO No. 20849") which established, among other things, the schedule of proceedings for this docket, as follows:

HELCO Application for Hill 5 Generator Stator Rewind	January 20, 2004
CA Information Request ("IRs") to HELCO	March 24, 2004
HELCO IR Responses to CA	April 14, 2004
CA Supplemental IRs ("SIRs"), if necessary	April 30, 2004
HELCO Responses to SIRs	May 14, 2004
CA Statement of Position ("SOP")	June 4, 2004

HELCO SOP, if necessary*

June 25, 2004

* If the CA objects to approval of the application, or requests that approval be subject to conditions.

The Consumer Advocate inadvertently did not file its information requests to HELCO on March 24, 2004. The Consumer Advocate will file its information request on March 25, 2004.

The schedule would be amended as follows:

CA Information Request ("IRs") to HELCO	March 25, 2004
--	----------------

The rest of the schedule will remain unchanged.

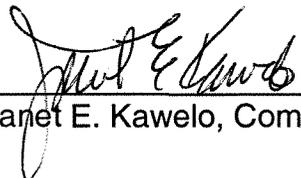

Hawaii Administrative Rules § 6-61-23(a)(1) provides the Commission with discretion, for good cause shown, to enlarge a period by which a required act must be completed, if a written request is made before the expiration of the period originally prescribed. The Commission finds good cause in this instance to revise the Consumer Advocate's deadline to file its information requests (from March 24, 2004 to March 25, 2004) to comply with the Commission's order and the request is granted and so ordered.

DONE at Honolulu, Hawaii, this 13th day of April, 2004.
