## II.

### Description of Applicant and its Proposed Services

Applicant is a Nevada limited liability company authorized to do business in the State as a foreign corporation. Its principal place of business is in Las Vegas, Nevada.

Applicant intends to provide intrastate telecommunications services within the State as a facilities-based provider and as a reseller. Specifically, it proposes to offer, among other services, local exchange and long distance intraLATA and interLATA interexchange telephone services to business and residential customers through the use of its own switching facilities and the resale of services of other certificated carriers.

## III.

### COA and Proposed Tariffs

Upon review of the application, the commission makes the following findings pursuant to HAR § 6-80-18(a):

---

<sup>2</sup>The Consumer Advocate raises various concerns and recommendations in its SOP relating to Applicant's proposed tariffs, which is discussed in more detail in Section III., below.

1. Applicant possesses sufficient technical, financial, and managerial resources and abilities to provide the proposed services;

2. Applicant is fit, willing, and able to properly perform the telecommunications services and to conform to the terms, conditions, and rules prescribed or adopted by the commission; and

3. Applicant's proposed telecommunications services are in the public interest.

Accordingly, the commission concludes that Applicant should be granted a COA to provide intrastate telecommunications services as a facilities-based carrier and as a reseller.

However, based on the commission's review of Applicant's proposed tariffs, we agree with the Consumer Advocate's concerns relating to Applicant's proposed tariffs and find its recommended revisions to the proposed tariffs to be reasonable. Thus, by this order we will adopt all of the Consumer Advocate's recommendations relating to Applicant's proposed tariffs, as set forth below. Thus, we conclude that Applicant's proposed tariffs<sup>3</sup> should be revised as follows:

1. Consistent with HAR § 6-80-105, Section 2.5.1 (Tariff No. 1, Original Sheet No. 8) should be amended by inserting the following new sections:

---

<sup>3</sup>Applicant's proposed tariffs comprise of the following: (1) Tariff No. 1 (comprises the rates, terms, and conditions applicable to local exchange services provided within the State); and (2) Tariff No. 2 (comprises the rates, terms, and conditions applicable to switched intrastate services within the State).

"2.5.2 The Company shall return the deposit to the Customer within thirty days of the Customer's establishing credit. If returned within thirty days, the Company need not pay any interest on the deposit. If the deposit is not returned within thirty days, the Company shall pay simple interest on the deposit at the rate of at least six per cent per annum from the date of the establishment of the credit until:

- (1) The deposit is returned;
- (2) Service is terminated; or
- (3) Notice is sent to the customer's last known address that the deposit is no longer required.

2.5.3 The Company shall maintain a record of each unclaimed deposit for at least three years, during which time the Company shall make a reasonable effort to return the deposit. Unclaimed deposits, together with accrued interest, are to be credited to an appropriate account."

2. The reference to "Hawaii Public Service Commission" in Section 2.10 (Tariff No. 1, Original Sheet No. 10) should be corrected to "Hawaii Public Utilities Commission."

3. The reference to "Hawaii utility commission" in Section 2.11 (Tariff No. 1, Original Sheet No. 10) should be corrected to "Hawaii Public Utilities Commission."
4. Consistent with HAR § 6-80-106(b)(1), Section 2.14.5 (Tariff No. 1, Original Sheet No. 11) should be amended to be read as follows:  
"For nonpayment of bills not in dispute, including bills for any of the Company's other communication services, provided that suspension or termination of service shall not be made without seven days written notice to the Customer." (new text underscored).
5. Consistent with HAR § 6-80-107, Section 2 (Tariff No. 1, Original Sheet Nos. 6 to 16) should be amended by inserting a new section describing the Company's procedures regarding Customer Complaints. At the very minimum, this new section shall include the Company's address and toll-free number, and the address and phone number of the Hawaii Public Utilities Commission, as provided below:

Hawaii Public Utilities Commission  
465 South King Street, Room 103  
Honolulu, Hawaii 96813  
(808) 586-2020

6. The reference to "Hawaiid" in Section 3.2.5 (Tariff No. 1, Original Sheet No. 18) should be corrected to "Hawaii."
7. Section 2.5.2 (Tariff No. 2, Original Page 22) should be amended to be consistent with the requirements set forth in HAR § 6-80-106.
8. Consistent with HAR § 6-80-105, Section 2.6.5.C (Tariff No. 2, Original Page 26) should be amended by inserting the following new sections:

"2.6.5.D The Company shall return the deposit to the Customer within thirty days of the Customer's establishing credit. If returned within thirty days, the Company need not pay any interest on the deposit. If the deposit is not returned within thirty days, the Company shall pay simple interest on the deposit at the rate of at least six per cent annum from the date of the establishment of the credit until:

1. The deposit is returned;
2. Service is terminated; or
3. Notice is sent to the customer's last known address that the deposit is no longer required.

2.6.5.E The Company shall maintain a record of each unclaimed deposit for at least three years, during which time the Company shall make a reasonable effort to return the deposit.

Unclaimed deposits, together with accrued interest, are to be credited to an appropriate account."

9. Consistent with HAR § 6-80-107, Section 2.6.7 (Tariff No. 2, Original Page 26) should be amended by including the Company's address and toll-free number by which the customer may file a complaint, and the address and phone number of the Hawaii Public Utilities Commission for unresolved complaints.
10. Section 2.10 (Tariff No. 2, Original Pages 29 to 30) should be amended to be consistent with the requirements set forth under HAR § 6-80-103(b) and (c) relating to adjustments for out of service conditions.
11. Section 6.1 (Tariff No. 2, Original Page 53) should be amended to include language that Applicant's rates and charges offered on an ICB basis will be filed consistent with HRS § 269-16 and HAR §§ 6-80-17, 6-80-39 and 6-80-40.

ORDER

I.

Hawaii Revised Statutes (HRS) § 269-16.6 requires the commission to investigate the availability of experienced providers of quality telecommunications relay services (TRS) and select the best qualified provider of such service. Thus, by Order No. 20067, filed on March 7, 2003, the commission instituted a proceeding to investigate the availability of quality TRS providers.<sup>1</sup> By that same order, the commission ordered Verizon Hawaii Inc. and the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs (Consumer Advocate) to be parties to the proceeding.

On March 10, 2003, the commission sent letters to Verizon Hawaii Inc., the Consumer Advocate, Sprint Communications

---

<sup>1</sup>On February 24, 2003, the current provider of TRS, Verizon Hawaii Inc., provided its notice to terminate its provision of TRS in Hawaii in July 2003.

Co., LP (Sprint), AT&T, Hamilton Relay Service, MCI Global Relay, CSD, SBC Southwest, and Vista Information Technologies, seeking comments and suggestions on the commission's draft request for services (RFS) by March 27, 2003.

On March 27, 2003, Sprint and Verizon Hawaii Inc. filed their comments on the draft RFS. On March 31, 2003, Hamilton Telecommunications submitted its comments on the draft RFS (e-mailed to the commission on March 27, 2003). On April 1, 2003, the State of Hawaii Disability and Communication Access Board submitted its comments on the draft RFS.

By Order No. 20111, filed on April 4, 2003, the commission: (1) adopted and made part of the order the final RFS dated April 4, 2003; and (2) ordered the Consumer Advocate to designate a representative to be a member of the evaluation committee by April 23, 2003. On April 23, 2003, the Consumer Advocate designated Marcey Chang, Chief Engineer, as the Consumer Advocate's representative on the evaluation committee.

On April 7, 2003, the commission published, state-wide, its public notice for the Invitation of Bids, due on April 23, 2003. That same day, the commission also sent letters and copies of Order No. 20111 and the final RFS soliciting proposals for the provision of TRS in the State of Hawaii to Sprint, AT&T, Hamilton Relay Service, MCI Global Relay, CSD, SBC Southwest, and Vista Information Technologies.

On April 21, 2003, Hamilton Telephone Company, dba Hamilton Telecommunications (Hamilton), filed its proposal.

On April 23, 2003, Sprint filed its proposal. The commission's RFS evaluation committee<sup>2</sup> for TRS reviewed the proposals and issued its recommendation to the commission on April 29, 2003. By Decision and Order No. 20163, filed on April 30, 2003, the commission selected Sprint to be the exclusive provider of intrastate TRS within the State of Hawaii from July 1, 2003 to June 30, 2006.<sup>3</sup>

Thus, by this order, we are providing notice to all telecommunications carriers under our jurisdiction of, among other things, our selection of Sprint as the provider of TRS, the establishment of a new TRS fund, and the imposition of various requirements authorized by the recently-adopted Act 50, Session Laws of Hawaii 2003.

---

<sup>2</sup>The members of the evaluation committee are Kevin Katsura - Legal Counsel, Steven Iha - Chief Auditor, Lisa Kikuta - Researcher, Richard VanDrunen - Engineer, Janice Masuda - Engineer, and Marcey Chang - Chief Engineer for the Consumer Advocate.

<sup>3</sup>Decision and Order No. 20163 also: (1) made the contents of Sprint's proposal and the terms of the commission RFS binding on Sprint; (2) required Sprint to file a proposed transition timetable within 14 days of the Decision and Order and to update the commission bi-weekly of its progress in transitioning Hawaii TRS from Verizon Hawaii Inc. to Sprint, until the transition is fully complete; (3) required Sprint to submit to the commission all updates and information needed for the commission's TRS state certification renewal application required by the Federal Communications Commission; and (4) required Sprint to file a proposed tariff for commission review and approval describing the terms and conditions of its TRS.

III.

A.

Establishment of the TRS Fund

Pursuant to the final RFS adopted and made part of Order No. 20111, filed on April 4, 2003, the TRS service provider, Sprint, is required to maintain the TRS fund. The final RFS specifies, in part:

**5.3.2 TRS Account or Fund.** The service provider shall be required to maintain and account for all TRS revenues and expenditures in a separate account. Such accounting shall include separated interstate and intrastate revenues and expenditures in accordance with jurisdictional separation procedures and standards set forth in the Federal Communications Commission's regulations adopted pursuant to section 410 of the Communications Act of 1934, as amended. The service provider shall receive and deposit all payments from all carriers that are required to pay for TRS. The service provider shall provide the commission, at the end of each month, a statement or report of all deposits and withdrawals from this account, including beginning and ending balances. This report is due 15 days after the close of the previous month. Commission approval is required for any withdrawal from this account, as provided in section 4.5.

**5.3.3 Contributions to the Fund.** All telecommunications carriers operating or providing telecommunications service within the State shall contribute to the TRS fund. The commission shall annually, by order, set the amount of the contribution required to be made to the TRS fund by each telecommunications carrier, based upon one of two methods: 1) a surcharge upon each telephone subscriber line provided by each telecommunications carrier in Hawaii or 2) a percentage surcharge upon the gross

intrastate revenues of every telecommunications provider in Hawaii.

Each telecommunications carrier shall pay its contribution directly to the service provider at dates and intervals set by the commission. Any interest charges due to late payment shall be between the service provider and the telecommunications carrier. Any interest earned from contributions to the TRS fund shall become part of the fund and be used to support the provision of current and future TRS.

Any amounts remaining in the TRS fund at the end of the contract period shall remain in the fund. If a new provider is selected, this fund transfers fully to the new provider.

B.

Amount of Contribution

Pursuant to Act 50, Hawaii Session Laws 2003, promulgated on May 7, 2003 (Act 50), attached as Exhibit "A", the commission may require every telecommunications carrier providing intrastate telecommunications services in the State of Hawaii to contract with Sprint for the provision of telecommunications relay service. Accordingly, by this Order, we will require every aforesaid carrier to contract with Sprint for the provision of TRS, for the period beginning July 1, 2003 to June 30, 2006.

Act 50 further authorizes the commission to require every carrier providing intrastate telecommunications service to contribute to the TRS fund maintained by Sprint. In this respect, we will require every carrier to contribute to the TRS fund on the basis of gross operating revenues from the retail provision of intrastate telecommunications services during the

preceding calendar year. Contributions shall be made by every carrier providing intrastate telecommunications services including, but not limited to: (1) the incumbent telecommunications carrier; and (2) all carriers certified by or registered with the commission pursuant to HRS § 269-7.5(b) or Hawaii Administrative Rules (HAR) § 6-80-18(a) and (b). The commission, at this juncture, specifically excludes payphone providers from contributing to the TRS fund.<sup>4</sup>

Contributors' contribution to the TRS fund shall be the product of their gross operating revenues from the retail provision of intrastate telecommunications services during the preceding calendar year, which is subject to investigation by the commission, and a contribution factor determined annually by the commission.<sup>5</sup> Each carrier must contribute at least \$37.50 per year. Carriers whose annual contributions total less than \$1,200 must pay the entire contribution at the beginning of the contribution period. Service providers whose contributions total \$1,200 or more may divide their contributions into equal monthly payments. Carriers shall complete and submit a TRS Reporting Worksheet, attached to this Order as Exhibit "B". The worksheet

---

<sup>4</sup>In the Fifth Report and Order, CC Docket No. 90-571, FCC 02-269, the Federal Communications Commission (FCC) requires carriers to continue to provide coin-sent paid local calls free to TRS users.

<sup>5</sup>The commission will adjust its contribution factor annually which will include, without limitations, future growth rates, revenue base, and uncollectible factor; although the commission intends to evaluate and set the contribution factor annually, the commission reserves the right to change the contribution factor at its discretion.

shall be certified to by an officer of the contributor and subject to verification by the commission at the discretion of the commission. This process is a self-reporting process. Each carrier is responsible for reporting and paying its contribution at the dates designated by the commission.

C.

Contribution Factor

The contribution factor for the period July 1, 2003 to June 30, 2004 is .00375. The .00375 represents, among other things, the estimated cost of the TRS service for the period July 1, 2003 to June 30, 2004 - including the projected growth in TRS minutes of use, an uncollectible allowance, and a reserve margin for the start up of the fund.

D.

Payment Remittance

Sprint has contracted with NECA Services, Inc. to administer the TRS fund. Contributions to the TRS fund shall be payable to "Hawaii TRS" and remitted to the Hawaii TRS Administrator at the following address:

Attn: Hawaii TRS Administrator  
NECA Services, Inc.  
80 S. Jefferson Road  
Whippany, NJ 07981  
Phone (973) 884-8011  
Fax: (973) 599-6504

Telecommunications Carriers may contact NECA Services, Inc. to identify their preferred method of payment and for further information.

Annual contributions are due July 26<sup>th</sup>; carriers who owe contributions of \$1,200 or more may pay in twelve equal monthly installments, due on the 26<sup>th</sup> of each month.

E.

Surcharge to Customers

A telecommunications carrier contributing to the TRS fund may impose a surcharge on its customers, both residential and business, to recover the amount of its contribution. The carrier shall separately and clearly identify and explain on its customers' bills the surcharge assessed for the TRS fund. The surcharge shall not be imposed until at least thirty-days' written notice is provided to the commission.<sup>6</sup> The notice must specify the amount of the proposed surcharge and the form in which the surcharge will be designated on customers' bills. The commission, as appropriate, may order modification in the amount of the surcharge or in the form of the designation on the customers' bills.

On its own motion, the commission also finds good cause to waive the 30-day tariff filing requirements of HRS

---

<sup>6</sup>The commission will waive the notice requirement for those carriers imposing surcharges on their July 2003 bills; however notice shall be provided at least simultaneously with the imposition of any surcharge.

§ 269-16(b)<sup>7</sup> and HAR § 6-80-40 (b)<sup>8</sup>, for those carriers implementing a surcharge to its customers in the month of July 2003.<sup>9</sup> The commission also recognizes that various telecommunications carriers, who elect to immediately incorporate the surcharges in their July 2003 billing cycles, may not be able to meet the 30-day filing requirements. Accordingly, any tariff filing relating to TRS, implemented in the month of July 2003, shall become effective upon its filing with the commission. However, the commission, as appropriate, may order modification in the amount of the surcharge.

---

<sup>7</sup>HRS § 269-16 (b) provides, in relevant part: "[n]o rate, fare, charge, classification, schedule, rule, or practice, shall be established, abandoned, modified, or departed from by any public utility, except after thirty days' notice as prescribed in section 269-12(b) to the commission and prior approval by the commission for any increases in rates, fares, or charges."

<sup>8</sup>HAR § 6-80-40(b) provides, in relevant part: "[a] telecommunications carrier shall file its tariff for any partially competitive service or noncompetitive service at least thirty days before the effective date of the proposed service."

<sup>9</sup>HRS § 269-16 provides, "The commission may, in its discretion and for good cause shown, allow any rate, fare, charge, classification, schedule, rule, or practice to be established, abandoned, modified, or departed from upon notice less than that provided for in section 269-12(b). HAR § 6-80-40(d) provides, "The commission may, in its discretion and for good cause shown, allow any tariff for a partially competitive or noncompetitive service to become effective before the expiration of the thirty-day period provided in subsection (b)."

IV.

THE COMMISSION ORDERS:

1. Every telecommunications carrier providing intrastate telecommunications service in the State of Hawaii shall contract with Sprint for the provision of telecommunications relay service, for the period beginning July 1, 2003 to June 30, 2006.

2. Every carrier providing intrastate telecommunications service in Hawaii shall contribute to the TRS fund on the basis of gross operating revenues from the retail provision of intrastate telecommunications services during the preceding calendar year, consistent with the terms of this order; the commission, at this juncture, specifically excludes payphone providers from contributing to the TRS fund.

3. Contributors' contribution to the TRS fund shall be the product of their gross operating revenues from the retail provision of intrastate telecommunications services during the preceding calendar year, which is subject to investigation by the commission, and a contribution factor determined annually by the commission, consistent with the terms of this order.<sup>10</sup>

4. The contribution factor for the period July 1, 2003 to June 30, 2004 is .00375.

5. The annual TRS funding period commences July 1 and ends June 30 of each year.

---

<sup>10</sup>Although the commission intends to evaluate and set the contribution factor annually, the commission reserves the right to change the contribution factor at its discretion.

6. Annual contributions are due July 26<sup>th</sup>; carriers who owe contributions of \$1,200 or more may pay in twelve equal monthly installments, due on the 26<sup>th</sup> of each month.

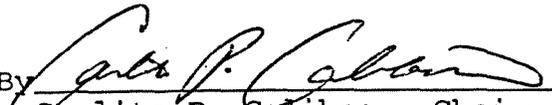

7. Contribution payments shall be made payable to "Hawaii TRS" and sent to the Hawaii TRS Administrator, consistent with the terms of this order.

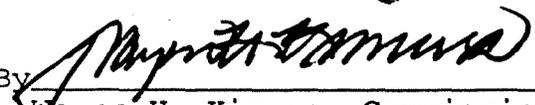

8. The commission waives the 30-day notice requirement of HRS § 269-16(b) and HAR § 6-80-40(b) for any TRS surcharge implemented in the month July 2003; however notice must still be provided at the time the surcharge is assessed, consistent with the terms of this order.

9. Any tariff filing relating to TRS, implemented in the month of July 2003, shall become effective upon its filing with the commission, consistent with the terms of this order.

# A BILL FOR AN ACT

RELATING TO TELECOMMUNICATIONS RELAY SERVICES.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

1           SECTION 1. The legislature finds that telecommunications  
2 relay services (TRS) provide individuals with hearing and speech  
3 disabilities telephone transmission services that enable these  
4 individuals to communicate by wire or radio with other  
5 individuals in a manner that is functionally equivalent to  
6 individuals without such disabilities.

7           The legislature further finds that the means to collect  
8 moneys that are assessed to pay for TRS is important to the  
9 provision and quality of TRS.

10          The purpose of this Act is to provide the state public  
11 utilities commission with greater flexibility in administering  
12 and providing intrastate telecommunications relay services in  
13 the State.

14          SECTION 2. Section 269-16.6, Hawaii Revised Statutes, is
