Findings and Conclusions

Based on our review of the record, we find that Applicant is fit, willing, and able to properly perform the proposed service and to conform to HRS chapter 271, and the requirements and rules of the commission. The commission also finds that the proposed service will meet the distinct needs of The Queen's Medical Center and Hawaii Health Systems Corporation, and, pursuant to HRS § 271-13, will be consistent with the public interest and the transportation policy declared in HRS chapter 271. Accordingly, we conclude that Applicant's request should be granted.
