Decision and Order No. 21437

DECISION AND ORDER

I.

Application to Extend Common Carrier Authority

ANONA FUALAAUSUAMALIA CABRAL, dba A & B BOBCAT SERVICE ("Applicant"), is a common carrier of property by motor vehicle over irregular routes on the island of Hawaii in the general commodities classification. On August 10, 2004, Applicant filed an application seeking commission approval to extend her authority under certificate of public convenience and necessity number 5183-C ("Certificate No. 5183-C") to include the dump truck classification. Applicant represents that if her authority is extended as requested, she can meet customer demand for dump truck hauling.

Applicant served copies of the application on the Hawaii Transportation Association, which consists of carriers that may be affected by Applicant's proposed service, and on the

Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate").

The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Based upon our review of the record, we find that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to Hawaii Revised Statutes chapter 271 and the requirements and rules of the commission. We also find that the proposed service is required by the present and future public convenience and necessity. Accordingly, we conclude that Applicant's request for an extension of her authority should be granted.

III.

Orders

THE COMMISSION ORDERS:

1. Applicant is authorized to operate as a common carrier of property over irregular routes on the island of Hawaii in the general commodities and dump truck classifications.

2. Applicant shall surrender Certificate No. 5183-C, and an amended certificate reflecting the operating authority granted by this decision and order shall be issued.

3. Applicant shall comply with all of the commission's requirements for common carriers by motor vehicle including, but not limited to, filing a lawful tariff.

4. Applicant shall comply with the foregoing requirements within one hundred and twenty (120) days after service of this decision and order. Failure to comply within the time specified constitutes cause for this commission to void this decision and order.

5. Applicant shall not commence operations in the dump truck classification until she has received written confirmation from the commission that all requirements have been met.
