Docket No. 04-0260
Decision and Order No. 21438

DECISION AND ORDER

I.

Application for Common Carrier Authority

On August 16, 2004, FRANK EFREM WEISS ("Applicant") filed an application requesting a certificate of public convenience and necessity to operate as a common carrier of passengers by motor vehicle over irregular routes on the island of Oahu in the 1-to-7 passenger classification. The application is made pursuant to Hawaii Revised Statutes ("HRS") § 271-12.

Applicant served copies of the application on the Hawaii Transportation Association and the Hawaii State Certified Common Carriers Association, Inc., which consist of carriers that may be affected by Applicant's proposed service, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Based upon our review of the record, we find that Applicant is fit, willing, and able to properly perform the proposed service, and to conform to HRS chapter 271 and the requirements and rules of the commission. We also find that the proposed service is required by the present and future public convenience and necessity. Accordingly, we conclude that Applicant's request for operating authority, as set forth in the application, should be granted.

III.

Orders

THE COMMISSION ORDERS:

1. Applicant is granted a certificate to operate as a common carrier of passengers by motor vehicle over irregular routes on the island of Oahu in the 1-to-7 passenger classification.
2. Applicant shall comply with all of the commission's requirements for common carriers by motor vehicle including, but not limited to, filing a lawful tariff, paying a fee of \$20 for motor carrier gross revenues, and filing the appropriate insurance documents.
3. Applicant shall comply with the foregoing requirements within one hundred and twenty (120) days after service of this decision and order. Failure to comply within the time specified constitutes cause for this commission to void this decision and order.

4. Applicant shall not commence operations under this decision and order until he has received written confirmation from the commission that all requirements have been met.
