

authority under Certificate No. 1642-C to include the 1-to-7 passenger classification. Transferee represents that if the authority is extended as requested, it can meet customer demand for motor vehicles with 1-to-7 passenger seating capacity.

Transferor served copies of the application on the Hawaii Transportation Association and the Hawaii State Certified Common Carriers Association, Inc., which consist of carriers that may be affected by the proposed transfer and extension of authority, and on the Division of Consumer Advocacy, Department of Commerce and Consumer Affairs ("Consumer Advocate"). The Consumer Advocate did not participate in this proceeding, and no persons moved to intervene in this docket.

II.

Findings and Conclusions

Upon review of Transferor's application, the commission finds that Transferee is fit, willing, and able to perform the services presently performed by Transferor, and that the proposed transfer of Certificate No. 1642-C is just and reasonable and will be consistent with the public interest. Accordingly, the commission concludes that the proposed transfer is in accordance with Hawaii Revised Statutes ("HRS") § 271-18, and should, therefore, be approved.

The commission also finds that the proposed expansion of authority is required by the present and future public convenience and necessity and that Transferee is fit, willing, and able to properly perform the proposed service, and to conform

to HRS chapter 271 and the requirements and rules of the commission. Accordingly, we conclude that the request for an expansion of authority should be granted.

III.

Orders

THE COMMISSION ORDERS:

1. Transferor's application to transfer Certificate No. 1642-C to Transferee is approved.

2. The request to extend the authority under Certificate No. 1642-C is approved. Transferee is authorized to operate as a common carrier of passengers by motor vehicle over irregular routes on the island of Oahu in the 1-to-7 and 8-to-25 passenger classifications.

3. Transferee shall comply with all of the commission's requirements for common carriers by motor vehicle including, but not limited to, filing a lawful tariff, paying a fee of \$20 for motor carrier gross revenues, and filing the appropriate insurance documents.

4. Transferor shall file with the commission his annual financial report for the period of operation from January 1, 2005, to the effective date of this Decision and Order, and shall pay the associated motor carrier gross revenue fee.

5. Transferor and Transferee shall comply with the foregoing requirements within one hundred and twenty (120) days after service of this Decision and Order. Failure to comply

within the time specified constitutes cause for this commission to void this Decision and Order.

6. Transferee shall not commence operations under this Decision and Order until it has received written confirmation from the commission that all requirements have been met.
