**STIPULATED PROCEDURAL ORDER**

Hawaiian Electric Company, Inc. ("HECO") and the Division of Consumer Advocacy of the Department of Commerce and Consumer Affairs (the "Consumer Advocate"), hereby stipulate that the attached Stipulated Procedural Order is mutually acceptable to each respective party.

DATED: Honolulu, Hawaii, January 23, 2006.

DIVISION OF CONSUMER ADVOCACY

JOHN E. COLE  
Executive Director

By Stipulated Procedural Order No. 21758, filed April 21, 2005, the Commission approved an extension until July 29, 2005 to submit the stipulated filing.

On May 31, 2005, HECO staff met with the Consumer Advocate staff to discuss its draft policies/guidelines. However, additional meetings and/or discussions were needed so that the parties could finalize the policies/guidelines for the Commission's review. In addition, due to its heavy workload related to other regulatory proceedings, HECO required additional time to develop and/or revise its policies. As a result, HECO requested an extension until October 31, 2005 to submit the stipulated filing. The Consumer Advocate did not object to this request.

By Stipulated Procedural Order No. 21953, filed August 3, 2005, the Commission approved an extension until October 31, 2005 to submit the stipulated filing.

On October 7, 2005, HECO transmitted to the Consumer Advocate, a draft dedicated and system substation guideline. (The guideline expanded on the substation guideline summary provided at the May 31, 2005 meeting.) In addition, a revised Underground Cost Contribution Guideline Summary was provided to the Consumer Advocate.

By Stipulated Procedural Order No. 22099, filed November 3, 2005, the Commission approved an extension until January 23, 2006 to submit the stipulated filing.

On November 28 and 30, 2005, the Consumer Advocate provided comments on the revised underground policy, and the dedicated and system substation guideline, respectively.

On January 10, 2006, HECO responded to the Consumer Advocate's comments, and provided revised drafts for the underground policy, and the dedicated and system substation guideline.

Additional meetings and/or discussions are needed for the parties to finalize the policies/guidelines for the Commission's review. As a result, HECO requests an extension until March 15, 2006 to submit the stipulated filing. The Consumer Advocate does not object to this request.

Hawaii Administrative Rules § 6-61-23(a)(1) provides the Commission with discretion, for good cause shown, to enlarge a period by which a required act must be completed, if a written request is made before the expiration of the period originally prescribed. The Commission finds good cause in this instance to enlarge the deadline for the stipulated filing from January 23, 2006 to March 15, 2006 to comply with the Commission's order, and the request is granted and so ordered.

DONE at Honolulu, Hawaii, JAN 26 2006.
