ORDER

I.

PINERRIDGE FARMS, INC. ("Applicant") is the holder of certificate of public convenience and necessity number 36-C ("Certificate No. 36-C"), which authorizes Applicant to transport property by motor vehicle over irregular routes (1) on the island of Oahu in the general commodities (excluding break bulk and delivery service) and dump truck classifications, and (2) on the island of Maui in the dump truck classification. On January 19, 2006, Applicant filed an application seeking commission approval to extend its authority under Certificate No. 36-C to include temporary authority to operate on the island of Maui in the dump truck classification. The commission notes that Applicant is currently authorized under Certificate No. 36-C to operate on the island of Maui in the dump truck classification on a permanent basis. Having previously granted the requested authority on a permanent basis renders moot the instant application for the same

authority on a temporary basis.¹ We, thus, conclude that there is good cause to dismiss the application herein.

II.

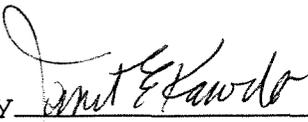

THE COMMISSION ORDERS that the application in this docket is dismissed as moot, and this docket is closed unless otherwise ordered by the commission.
