

On February 28, 2006, HOH timely filed its revised tariff sheets and rate schedules, as part of the commission's approval of its request for a general rate increase. On March 13, 2006, HOH supplemented its revised tariff sheets and rate schedules with further revised sheets in which it corrected certain inadvertent errors.

Having reviewed HOH's revised tariff sheets and rate schedules, including Second Revised Sheet 24, the commission finds that they comply with Decision and Order No. 22286.
