Docket No. 2006-0058
Order No. 22802

ORDER

I.

Request to Amend Common Carrier Authority

By Decision and Order No. 22483, filed on May 22, 2006, LEE PETERS, dba LEE'S EXCAVATION ("Applicant"), was granted a certificate of public convenience and necessity to operate as a common carrier of property by motor vehicle over irregular routes on the island of Maui in the general commodities and dump truck classifications.

On August 7, 2006, Applicant filed a letter requesting that his authority in the general commodities classification be surrendered, as he does not plan to utilize this classification to do business. Accordingly, we find good cause to grant Applicant's request and amend Decision and Order No. 22483 to reflect such surrender of authority.

II.

Orders

THE COMMISSION ORDERS:

1. Applicant's request to surrender his authority in the general commodities classification is granted.

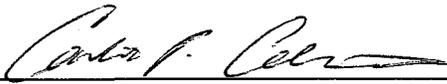

2. Decision and Order No. 22483 is amended consistent with the terms of this Order. Specifically, ordering paragraph 1 in Decision and Order No. 22483 is amended as follows:

"Applicant is granted a Certificate to operate as a common carrier of property by motor vehicle over irregular routes on the island of Maui in the dump truck classification."

In all other respects, Decision and Order No. 22483 remains unchanged.
